SEEK PACT FOR MERGER OF TWO SCHOOL GROUPS

The Gettysburg Joint School Board Monday evening turned over to its joint school committee the task of working out terms of a new joint agreement which will become operative July 3 when the merger of the Gettysburg and Freedom Twp. districts takes place.

Superintendent of Schools H. Edgar Riegle explained to the directors at their February meeting at the high school that, because the jointure will be operated after July 3 with six member districts instead of the present seven, a new agreement will be required.

The joint school committee which was given the task is made up of two representatives of each of the seven member districts.

NEED SCHOOL CENSUS

Superintendent Riegle also called to the attention of the member districts that a school census must be completed in each of them before July 1. It was agreed that each school district will handle its own census. The last complete school census here was made three years ago. The state law requires a school census every three years.

Directors were reminded that, as they expect to make any change in commissions to be paid to their tax collectors, the rate must be fixed and public notice given by March 10.

Delays at Harrisburg are slowing progress on the new senior high school building here. Superintendent Riegle reported. He said the completion date of September 1, 1962, now "is getting pretty tight." The local joint district and its architects are awaiting state approval of Form PIBB-40B which was filed at Harrisburg January 25. A resignation at Harrisburg has delayed action on the form, Mr. Riegle said, and no more work can be done on the (Continued On Page 3)

EXPECT STATE WILL APPROVE BERMUDIAN HI

If an expected approval is received from a state Department of Labor and Industry inspection to be made today, the new Bermudian Springs High School will be opened Wednesday or Thursday; it was announced at the February meeting of the Bermudian Springs Joint School Board Monday evening at the York Springs elementary building.

The architects' report to the board stated only minor details remained to be completed before the new building between York Springs and East Berlin can be opened.

The board approved a personnel committee report submitted by Mrs. Mary Baker that Mrs. Miriam Zepp be employed as secretary at the York Springs Elementary School. Secretarial staff members there now will be transferred to the new high school.

3 ARE TRANSFERRED

The board also designated Mrs. Edna Bubb as cafeteria manager at the new high school, named Mrs. Hettie Delp as a new member of the cafeteria staff and transferred these persons to the new school to complete the staff for the new school cafeteria: Mrs. Amy Kennedy, Mrs. Ethel Alland and Mrs. Virgene Hinkle.

The board also elected Mrs. Marilyn Bonto, Evans City, Pa., who will graduate from Shippensburg State College this spring, as a junior high English teacher at a salary of \$3,800.

John Korver, now a part-time librarian and designated as full-time librarian for next year, told the board of the "avid interest in reading" by the pupils. He said some Eighth Graders have read as many as 40 books already this year. Some came from the school library, some on loan from the county library and some from Korver's personal collection.

NEED MORE BOOKS

Korver told the board the school collection numbers about 4,000 volumes but to meet state standards should contain 5,000 to 10,000 volumes. Plans are being made to increase the book collection. It was announced that the speaker for the first commencement (Continued On Page 3)

Man Burns To Death In Crash

CARLISLE, Pa. (AP) — Charles L. Reeder, 29, State Line, Franklin County, burned to death Monday night when he was pinned in the flaming wreckage of his truck after a collision with another truck.

Troopers reported that the unsuccessful efforts to pull Reeder, still conscious, from the flaming cab were led by Earl Minnich, also of State Line, who had been following Reeder in another truck.

State policeman Grant Mixell said Reeder's coal truck smashed into the rear of a tractor-trailer driven by Calvin Stoner, 33, of Natural Bridge Station, Va.

He said the collision occurred on Route 11 about four miles west of here as Stoner was attempting to make a left turn. The impact exploded fuel tanks under the seat of Reeder's cab and pushed the engine back, pinning his legs.

TEACHERS AND PANEL DISCUSS "PR" PROBLEMS

A panel of citizens and eight teacher groups discussed ways to improve school and community relations Monday morning and afternoon at the Gettysburg High School where the public school teachers of Gettysburg and Franklin Twp. conducted their annual workshop. Schools were closed for the day.

Both teachers and panelists agreed on the importance of a high grade of public relations in the public school organization and made various suggestions on ways to make progress in that direction.

Developing the idea that a school is judged in part by its product, Prof. William C. Darragh of Gettysburg College said high schools need to give a "sense of direction" to students for "when they reach college their progress cannot be forecast by their high school grade their college entrance exams or their college boards. A lot of it depends upon the student himself."

LACK STUDY KNOW-HOW

He said the average college freshman today "doesn't know how to study and has only a dim notion of what is meant by academic excellence." He said the attitude of some college students that good grades there are "not worth the effort" is a reflection on the times rather than the high school from which the student came.

Attorney John A. MacPhail presided over the discussion and was introduced by Mrs. C. A. Sloat, who presided at the afternoon session. Other panelists were Mrs. Forrest Craver, the Rev. Robert A. MacAskill and Hugh C. McIlhenny.

TEACHERS NEED "F'S"

At noon teacher-reporters had presented findings of eight groups of teachers who had discussed their relationships with students, school administrators, school board, the community and to their own profession.

The teachers found that pupils (Continued On Page 9)

Son Will Manage Dutch Cupboard

SAMUEL L. SCOTT

Samuel L. Scott, son of Mr. and Mrs. S. Lester Scott, 207 E. Middle St., will take over management of the Dutch Cupboard Restaurant, Baltimore St., March 1. The eating place was managed by his mother for seven years until ill health forced her to withdraw.

Mr. Scott and his wife are moving here from Wilmington, Del., and will reside at 301 Hanover St., a residence purchased recently by them. At Wilmington, Mr. Scott was director of music for the Western Presbyterian Church for two years.

MUSSELMAN FILES ANSWER TO \$1,800 SUIT

The C. H. Musselman Company of Biglerville today filed its answer to the complaint of 13 Adams County fruitgrowers and the Great Lakes Cherry Producers Marketing Cooperative, Grand Rapids, Mich., that the company owes them approximately \$1,800 on 351 tons of cherries sold the company in 1959.

As filed by the law firm of Bigham and Raffensperger, the answer is in the form of a "preliminary objection in the nature of a demurrer to the complaint."

In the demurrer the company claims that it had no contract with Great Lakes Cherry Producers Marketing Cooperative and that if it did have a contract with the growers it "fully performed all of its obligations under such contract."

In the complaint Great Lakes declared it represented the growers in their sale of cherries to the Musselman Company and that company owes it \$263.37, representing a 75 cents per ton service charge on net graded fruit purchased from members of the cooperative group.

LIST 27 COUNTS

Fourteen counts and 13 alternate counts were listed in the original complaint. Count one was the allegation by Great Lakes. The other 26 counts and alternates were filed by the 13 growers, each one alleging he should have been paid more for cherries under the contract with Great Lakes and each stating in the alternate, if the court decided there was no contract with Great Lakes, that the individual grower had been paid less than the price listed in a circular sent by the company to the growers giving the price to be paid for cherries.

PROCEDURE IN PETITION CASE IS FIXED

When argument is held on the petition of two insurance companies to set aside the verdict found by a jury in an action to quiet title brought by Alton W. and Hallie A. Snyder, Gettysburg R. D., there will be no reference to the testimony taken in the case.

An order was handed down today by the Adams County court today approving a petition by attorneys for William G. Monroe, the Hartford Fire Insurance Co. and Paradise Mutual Insurance Co., the defendants in the action brought against them by the Snyders.

The petition moved that the transcription of the testimony in the trial be waived because the attorneys "determined that the testimony has no relation to or consideration in the question involved in said motion and is not necessary for passing on the questions raised."

CITE PART OF RECORD

The petition asked that "argument be heard and disposed of by the court on the following portions of the record which are pertinent and material to the motion: The plaintiff's complaint, defendants' answer with new matter, the reply to new matter; exhibits introduced at the trial; defendants' points for charge and the rulings thereon; the charge of court, and the verdict."

Snyder originally was accused of setting fire to a house on a Liberty Twp. farm he had purchased. The insurance companies took over the mortgage at that time and Monroe became the trustee holding the mortgage for the insurance companies. Snyder was acquitted of the arson charge by a jury and then brought the action to quiet title to secure full possession of the farm property. A jury last October found in Snyder's favor in the amount of \$5,000. The insurance companies appealed the verdict and asked for judgment notwithstanding the verdict.

While the appeal of the insurance companies is pending in Adams County court the Snyders have brought a civil action in Middle District court against the insurance companies and others.

ELKS OYSTER FEED

A free oyster feed for members only will be held at the Gettysburg Elks home Thursday from 5 to 9 p.m. At the lodge meeting Monday evening it was decided to eliminate the \$1 fee which had been planned to raise funds for the Elks National Foundation Fund.

Demonstrators Parade In Moscow, London Streets To Protest Lumumba's Murder

By THE ASSOCIATED PRESS

Demonstrators paraded the streets of Moscow, Cairo, London and Rome today protesting the slaying of Congolese ex-Premier Patrice Lumumba. A new outbreak of bloody violence was feared in the Congo.

The demonstrators chose Belgium, former colonial ruler of the Congo, as the main target. Several hundred stoned the Belgian embassy in Moscow, breaking windows and halting their attack only when police moved in. Belgium's embassies in other cities were besieged.

The United States also drew criticism from some demonstrators for its support of U.N. Secretary-General Dag Hammarskjöld's Congo policies.

PROTEST AGAINST U.S.

About 20 demonstrators gathered in front of the U.S. Information Agency office in Cairo, shouting pro-Lumumba slogans. They made no attempt to attack the building.

A U.N. spokesman in the Congo said Lumumba's supporters in Stanleyville appeared to be trying to prevent antiwhite reprisals. Soldiers who gathered in a Stanleyville street Monday night threatening action against Europeans were dispersed by Gen. Victor Lundula, Lumumbaist military commander, the spokesman said.

The Katanga government announced Monday Lumumba and two companions were slain by villagers after escaping from detention.

ASK INVESTIGATION

At United Nations headquarters in New York, Yugoslavia called on the Security Council to order an "urgent and energetic" investigation to fix the blame for the slayings.

The Soviet Union assailed the United Nations for failing to protect Lumumba. Moscow Radio charged "the Belgians and their Western partners" were murderers.

Demonstrators in Moscow followed this theme. "Shame on the imperialists—enemies of the African people," some shouted.

Belgian authorities expressed regrets with a firm denial Belgium had anything to do with the slayings.

Charge To Follow Collision Monday

Damage totaled \$275 Monday morning at 10:50 o'clock when two cars collided 1½ miles north of here on the Table Rock Rd. State police said W. A. Kelly, 72, Gettysburg R. 2, was driving north when his car crossed the center of the highway and struck a southbound auto operated by C. David Redding, 20, Gettysburg R. 4. No one was injured. Damage was \$100 to the Kelly car and \$175 to Redding's vehicle. Police said they will bring a failing to yield one-half the highway charge against Kelly.

Collector Jailed And Fined \$200

Clair Simmons, York R. 4, operator of collection agencies in York and Gettysburg, drew 60 days in jail and fines totaling \$200 in York County court Monday on a charge of conspiracy and one of unlawful collection agency practices.

Simmons, 29, was described by the court as the apparent "instigator" of the unlawful practice of using the criminal process for the collection of civil debts.

Reds Report Venus Rocket Races 2.5 Miles A Second

By STANLEY JOHNSON

MOSCOW (AP) — The Soviet Union's Venus-bound space station zoomed ahead at 2.5 miles per second today and Soviet scientists reported its equipment was relaying back information as planned.

Tass, the Soviet news agency, said two playback sessions of data from the station had been triggered by radio command from earth and that a big volume of data about space conditions was received.

The 1,418-pound "automatic interplanetary station" was rocketed from an orbiting Sputnik Sunday, the Soviets said. It is designed to penetrate the clouds perpetually blanketing Venus and reveal some of her secrets. Soviet scientists refused to comment, however, on speculation that the space ship carried cameras aboard.

303,600 MILES AWAY

Tass said the station was 303,600 miles from earth at noon Monday.

Former Congo Premier Patrice Lumumba, who reportedly escaped detention, was announced by the Katanga government to have been "massacred" on Sunday by African villagers. (AP Wirephoto)

INDUSTRIAL ARTS COURSES DOUBLED HERE

The curriculum offered in industrial arts at Gettysburg High School has doubled in the 10 years since it was introduced and growing numbers of upper classmen are electing to take advanced courses above the basic training required by the state at the junior high school level.

That picture of the popularity of the industrial arts department at the local high school was given members of the Gettysburg Joint School Board Monday evening at their February meeting at the high school by John R. Corbin, head of the department.

Using an overhead projector, Mr. Corbin threw on a screen at the front of the meeting of the meeting room complete lists of the subject matter offered in all industrial arts courses from the Seventh Grade through the senior high boys.

FACILITIES CROWDED

Mr. Corbin said present facilities may soon be crowded and the department's three-man teaching staff has had to rearrange assignments and specialize in specific types of shop work to handle the increased enrollment. More staff expansion may be required in the (Continued On Page 2)

John Maclay To Give Lincoln Address

John Maclay, a Junior at Gettysburg High School and son of Mr. and Mrs. J. Bruce Maclay, Twin Oaks, will give Lincoln's Gettysburg Address Thursday evening at the Lincoln dinner to be held at the Gettysburg High School cafeteria by the Adams County Republican Committee.

He was selected for the honor by winning a contest in which other high school students in the county competed.

Fred Clark Scribner Jr., undersecretary of the Treasury and general counsel of the GOP National committee, will be the principal speaker.

3 MEMBERS RESIGN FROM YWCA BOARD

Three members of the board of directors of the YWCA resigned at a meeting of the board Monday afternoon at the Y. Mrs. Willard S. Paul, president, presided.

Mrs. J. B. Berry, Mrs. Paul L. Reaser and Miss Martha Lentz tendered their resignations. They were accepted with regret and Mrs. Conway Williams was named to succeed Mrs. Reaser.

Mrs. Paul reported entertaining the advisory committee at which time Attorney Eugene Hartman reported on progress and showed blueprints made through the generosity of Burgess Wilbur Plank. The prints have been given to a number of builders for prices on different sections of the remodeling.

"EVALUATE Y WORK"

Mrs. Paul said: "This brings us to another phase of our problem. It will be necessary for us soon to evaluate the work of the Y in light of our purpose, to find out if we are justified in our endeavors. Further, it seems to me that our objectives, community relations and interest of the Christian women of the county should be first in our minds as we consider our problems."

Mrs. Ralph Heim, executive director, announced the deadline for news from all committee chairmen for the Y-week newsletter is March 20. All chairmen are urged to submit their annual reports as soon as possible, not later than April 1. All clubs are urged to plan for special emphasis on YWCA Week, April 23-29. This year's topic is "Look Ahead With the YWCA in the 1960's." The annual membership dinner meeting will be held April 26.

BUDGET CHANGES

Mrs. Harold Ecker, finance chairman, asked that all requests for committee budget changes be sent to her not later than February 20.

LINCOLN VISIT HERE RECALLED FOR KIWANIS

The story of "Lincoln's Stay At Gettysburg" was related Monday evening at the meeting of Kiwanis at the Lamp Post Tea Room.

John D. Lippy Jr., Seminary Ave., for many years proprietor of the Lincoln Room before its sale to LeRoy Smith, told of how Attorney David Wills, later to become judge, visited the battlefield and found the dead only partly buried. He wrote Pennsylvania's Governor Curtin and was named by the governor as chairman of a committee to do something about the burial of the Union troops slain in the battle here.

Wills wrote the governors of 17 other states and a committee was soon formed for the establishment of the Gettysburg National Cemetery. Land was purchased on Cemetery Ridge adjoining the Evergreen Cemetery.

EVERETT FIXED DATE

Originally plans called for the cemetery to be dedicated in October, 1863, but when Edward Everett, chosen as the orator for the day, wrote he could not be present until November 19, that date was selected for the dedication, Lippy said.

Wills wrote to President Lincoln November 2, 1863, and invited him to "make a few appropriate remarks" and to be his guest while here. Lincoln arrived November 18 at 5 p.m. and went to the Wills house. That evening he received a telegram from Mrs. Lincoln concerning the health of his son, Tad.

State Chairman To Attend GOP Dinner

George I. Bloom, chairman of the Republican State Committee, and Mrs. Ruth G. Pennell, vice chairman, will attend the Lincoln Day dinner in the high school cafeteria Thursday evening, H. Earl Pitzer, county chairman, said today.

"Chairman Bloom has called the county chairmen and state committeemen from southeastern Pennsylvania to a luncheon meeting in Harrisburg Thursday noon to confer with F. Clark Scribner Jr., undersecretary of the treasury, who will deliver the address at the dinner here," Pitzer said.

"Fred G. Pfeffer, state committeeman, and myself will attend the luncheon after which Mr. Bloom and Mr. Scribner will come to Gettysburg for the dinner," he added.

Collector's Rate Is Cut In Straban

The Straban Twp. school board Monday evening at its monthly meeting following the joint school board session at the Gettysburg High School building reduced the commission rate to be paid the Straban Twp. tax collector for the next four years.

The township school district has been paying its tax collector a three per cent commission for taxes collected during the abatement period and five per cent on those collected at par and during the penalty period.

The directors Monday evening fixed the new rate at 2½ per cent for taxes collected during the abatement and at par and five per cent for those collected after the penalty is added. Directors said the change in rate would mean a saving of "more than \$500" per year to the taxpayers at present tax rates and assessments.

DON CARVER GIVEN EAGLE AWARD SUNDAY

Donald L. Carver Jr., member of Explorer Post 79 and a Senior

DONALD CARVER JR.

at Gettysburg High School, received the Eagle award, the highest in Boy Scouting, at the Sunday morning service in Christ Lutheran Church where the youth is a member.

Carver, who is the son of Mr. and Mrs. Donald L. Carver, R. 6, was called to the front of the church for the presentation ceremony which was conducted by the pastor, the Rev. Dr. Robert W. Koons. The award was pinned on the Scout's uniform by his mother and then Carver presented his mother with a rosebud corsage.

Richard Smith, Explorer post advisor, also took part in the ceremony. Members of the Boy Scout Troop and Cub Pack 160 attended the service in a body as part of their observance of Boy Scout Week.

Young Carver started his Scouting career in 1955 as a Tenderfoot in 1955. He attended the Valley Force Scout Jubilee, earned a total of 24 merit badges and two years ago received the God and Country award in Scouting.

Sons Are Guests At Lions' Dinner

Thirty-seven sons were guests of the Gettysburg Lions Monday evening at the club's weekly dinner meeting at the VFW home. Fifty-four members of the club attended with President Richard A. Folkenroth presiding.

It was announced the club has made a \$25 donation to the Adams County Heart Fund drive.

The program for the evening included two W. C. Fields films and two of Abbott and Costello. Wilbur Varian was in charge of the program.

This evening a busload of Lions will go to Hershey for the Ice Capades. Kenneth Dengler announced there are six tickets available for the trip. The bus will leave at 6:15 o'clock this evening from Eisenhower school. The \$4.25 ticket includes transportation and the show ticket.

Ask For Return Of Band Instruments

Twenty-two members of the Blue and Gray band attended Monday evening's rehearsal session at the VFW home. E. Middle St., with Charles E. Duffield serving as director.

Band officers called for the return of instruments belonging to the band which are in the hands of persons not intending to re-affiliate with the reorganized band.

COIN CLUB TO MEET

The February meeting of the Gettysburg Numismatic Society will be held this evening at 8 o'clock in the West St. branch of the Gettysburg National Bank.

Want Troops Out Of Congo In One Month

LONDON (AP)—The Soviet government today officially withdrew its recognition of Dag Hammarskjöld as U.N. general secretary and demanded that all foreign troops get out of the Congo within one month.

The Russians demanded the United Nations censure Belgium in the slaying of Patrice Lumumba, the deposed Congo Premier.

A note distributed by Tass also demanded the arrest and trial of President Moise Tshombe of Katanga Province for Lumumba's death.

"Dag Hammarskjöld must be dismissed from the post of secretary-general as an accessory to and organizer of the murder of the leading statesmen of the Republic of the Congo, which has tarnished the name of the United Nations," the Soviet government's statement said.

SEVER RELATIONS

Tass reported that the Soviet government declared that for its part it will maintain no relations with Hammarskjöld and will not recognize him as an official of the United Nations.

The statement said all Belgian troops and other personnel in the Congo must be disarmed forthwith and removed from the Congo. It asserted all military units and gendarmes taking orders from Tshombe and Congolese Maj. Gen. Joseph Mobutu "must be immediately disarmed."

U.N. troops, the Soviet government said, should immediately arrest Tshombe and Mobutu and bring them to trial as Lumumba's slayers.

Tass said all foreign troops should be withdrawn "so as to give the Congolese people the possibility to solve all their home affairs themselves."

TERM EXPIRES IN 1963

The situation which Hammarskjöld now faces is similar to that faced by his predecessor, Trygve Lie, after the Soviet Union refused to deal with him because of his condemnation of the Communist invasion of South Korea.

Lie, however, continued to serve from the time of the Soviet non-recognition in 1950 until November 1952. During that period the Soviet Union addressed all communications to the U.N. secretary-general rather than to the secretary-general.

Hammarskjöld's second five-year term expires in April 1963. He has declared he has no intention to resign.

TWO CONVICTED BY JURIES IN COUNTY COURT

The first two defendants to appear for trial at the current session of Adams County court were found guilty by juries.

This morning at 10:45 o'clock a jury returned a guilty verdict in the charge of aggravated assault and battery against Hubert L. Wise, 215 W. High St.

Monday afternoon another jury found a verdict of guilty in the charge of furnishing intoxicants to minors against Harry J. Reese, Fairfield R. 1.

This morning trial was being heard of the driving while under suspension charge against Harry J. Mummet, Abbottstown R. 1. The jury hearing the Reese case deliberated 20 minutes when Foreman Emory L. Hammers, New Oxford, handed up the verdict at 2:20 o'clock.

The jury hearing the Wise case argued for an hour this morning before its foreman, Jay R. Schmitt, W. Middle St., handed up its verdict.

CLAIMS SELF-DEFENSE

Wise had claimed he stabbed George Morman, S. Washington St., early on the morning of September 18 in self-defense. Wise claimed that, after Morman knocked him down on W. High St. in an argument concerning the return of a hunting jacket Morman had borrowed from Wise, he opened his pocketknife and cut at Morman in order to protect himself from being hit again. The pocketknife cut a 1½-inch slash in Morman's abdomen. Morman was hospitalized and surgery was required to close the wound.

Members of the jury which heard the case, in addition to Schmitt, were: James C. Behney, York Springs R. 2; Harry E.

STUDENTS IN BETTER HEALTH

"The general health of students appears to be better this year than it was at the same time last year when the January report showed a total of 1,198 nurse-pupil contacts as compared with 992 this year," the report of the Gettysburg school nurses stated Monday evening when it was submitted to the joint school board at its February meeting.

The total listed above refer to the total contacts made each school year up to the end of January. In the last month alone there were 142 contacts, the report shows.

The report, signed by Miss Ellen R. Miller and M. Lucille Brennan, shows the nurses screened 454 pupils for vision defects, 188 on hearing and checked height and weight of 490 others. As a result 41 were referred to their family physicians on visual defects and three for hearing.

The tetanus toxoid program is being set up for Sixth Graders, the nurses reported. Under the plan, all students who participate in the athletic programs are required to have a booster shot each year.

The report shows doctors examined 187 pupils last month and dentists checked 189. Eight pupils were referred to their family doctors and two to their dentists. Nurses made two home visits last month.

The nurses attended 12 teacher conferences and 10 other conferences.

MUMMERT JURY

The jury hearing the Mummert case included: Mrs. Doris Asquith, Biglerville; Mrs. Betty Bloodworth, East Berlin; Emory L. Hammors, Lincolnway West, New Oxford; Robert E. Harner, 223 Baltimore St.; Cameron Hoffman, Arundelville; Jay Johnson, 467 Seminary Ave.; Revere D. March, Orrtanna; LeRoy J. Miller, Hanover R. 1; Adrian L. Myer, Idaville; Walter L. Reynolds, 100 Baltimore St.; Mrs. Violet Schwartz, Gettysburg R. 1, and Joseph Temple, Seven Stars.

In court today witnesses testified that Harry J. Mummert, charged with driving while under suspension, was not the driver of the car, but rather the vehicle was being driven by his brother, William Mummert. William Mummert declared that the car broke down and he hitchhiked a ride to get a truck to tow it. While he was gone police arrested his brother for driving the vehicle while his license was suspended. Harry Mummert said he at first admitted his guilt because he knew he could never get his license back and feared that his brother, whose license was suspended, would have difficulty getting his license back if he was arrested while under suspension.

future, he added, and said that the next expansion in equipment and machinery should be to provide more work in metals for the pupils.

In his talk he gave special attention to the graphic arts division of the industrial arts curriculum, being offered this year for the first time. He said that already students have been able to print some forms used in the operation of the joint school system. A printing display has been placed at the school showing products of the graphic arts students.

He described also the mechanical arts instruction that is included in the student work and in the evening adult classes that are drawing pupils from a wide area including several counties. Mr. Corbin answered questions from directors and as the presentation concluded Superintendent of Schools H. Edgar Riegle said: "Our industrial arts program here is superior and we're very proud of it."

Mr. Corbin appeared as one teacher in a series of talks by department heads in the high and elementary schools before meetings of the joint board for the last two years.

FIRE AUXILIARY MEETS MONDAY

The Auxiliary of the Gettysburg Fire Department, meeting Monday evening at the Adams Electric Cooperative building, voted to enter a table in the Women's Fashion Table Tea contest to be held April 14 from 2 to 5 p.m. at the Country Club under auspices of a Prince of Peace Episcopal Church women's group.

Mrs. Martin Crabb, president of the auxiliary, expressed appreciation of the work of the committee which arranged for the Valentine party held Saturday afternoon at the Adams Electric building for the children of the members. She also reminded that annual dues are payable to the treasurer, Mrs. Thomas Cole, and extended an invitation from the Fire Department to all widows and unmarried members of the auxiliary to attend the ladies' night banquet of the fire department to be held this evening at the Moose lodge. Members of the auxiliary who are wives of firemen had previously been invited to attend by their husbands.

Mrs. Ray Breighner, ways and means chairman, announced the deadline for return of Easter candy orders will be March 3. She asked all members to donate baked good for a bake table to be conducted by the auxiliary at the Exchange Club Builders Show in March, and announced that the spring rummage sale will be held in May.

It was announced that members may bring guests to the next meeting of the auxiliary, to be held March 13 at the Manufacturers Light and Heat Co. The Valentine theme was followed in the serving of refreshments by a committee headed by Mrs. Glenn Raffensperger. Charades were played under direction of Mrs. Thomas Gibbons, program chairman.

The Mason and Dixon Cotillion will hold its annual Valentine dance this evening at the Hotel Gettysburg. Bud Codori's quintet will provide the music.

The Women of the Moose will meet at the Moose home tonight at 8 o'clock. Hospital Chapter Night will be observed and new members will be enrolled. Officers, escorts and chairmen are asked to wear gowns.

The regular meeting of the VFW Auxiliary will be held Wednesday evening at 8 o'clock at the post home.

The Gettysburg Evening Home-makers will meet Wednesday evening at 7:30 o'clock at the home of Mrs. Kay Kime, R. 3. The topic will be "Meal Planning," presented by Mrs. Helen Tunison.

Mrs. Wilbur Rudisill and daughter, Betty, R. 5, spent Monday in York visiting with the former's son and daughter-in-law, Mr. and Mrs. Charles Rudisill.

Circle III of Christ Lutheran Church will meet Wednesday evening in the parish hall following the Lenten service. Mrs. Robert Bloom will present the program on Mary Smith Moffat and Mary Moffat Livingstone. Mrs. Reginald Deitz will lead devotions. The hostesses will be Mrs. Stanley Hoffman and Mrs. John Rhoads.

Mrs. Donald E. Myers was hostess to the Soroptimist Gavel Club at dinner Monday night at the Lamp Post Tea Room.

The Xi Alpha Chi chapter of Beta Sigma Phi met at the home of Mrs. Al Griest, Twin Oaks, with 12 members present. The cultural program was presented by Mary Kay Daly on the subject of North Africa. The three members elected for the nominating committee were as follows: Mrs. Thomas McCarthy, Mrs. Donald Uber and Miss Mary Ann George. Plans were made for a spaghetti dinner to be held in March. It was announced that the state convention will be held on June 9, 10 and 11. Refreshments were served by the hostesses.

Mary Circle of the Women of St. James met Monday afternoon in the Maude Miller room with 12 members present. The next meeting will be March 13, the same place, at which time a film will be shown.

The Hospital Bridge Club will meet at the home of Mrs. Charles H. Smith, W. Broadway, Thursday afternoon at 1 o'clock.

DISTRICT ABC GROUP ELECTS

New officials of the Adams District of the Southeastern United Cooperative were elected Monday at a meeting of 45 members of the district at the West St. Branch of the Gettysburg National Bank.

Glenn Sterner, Gettysburg R. 1, was elected to a one-year term as district delegate. Named to two-year terms as delegates were Oscar C. Winters, Hanover R. 5, and Guy W. Lobaugh, Aspers R. 1.

Thomas R. Murren, Hanover R. 4, was elected to the Guernsey sire reporting committee; Earl W. Brandon, Gettysburg R. 2, to the Holstein committee, and Chester E. Loper, Abbotstown R. 1, to the Jersey committee.

Bill Massa, York branch manager of the SPABC, Adams District Director Earl Noel, and General Manager David Yoder gave reports on last year's operation of the cooperative. W. R. Hesseltine, dairy specialist from the University of Delaware, spoke on "The Effects of Inbreeding."

District Director Noel, a resident of McSherrystown, presided at the meeting.

Col. Storms Is Rotary Speaker

Lt. Col. William N. Storms, professor of air science and tactics at Gettysburg College, was the speaker Monday evening at the meeting of Rotary at the YWCA.

Purpose of the Air Force ROTC at the college is to train men in leadership capabilities, the Air Force instructor said.

He described the curriculum and operation of the ROTC program, noting that the first two years of the training are open to all students who wish to enlist for it. A screening system permits only the best qualified to enter the third and fourth year studies in the ROTC program. Those students who are accepted sign for four years of active duty after college. They are given ground officer commissions and five years of active duty if they are accepted as flying officers.

President William Lentz presided at the meeting. Vice President Richard Newsham introduced Col. Storms and announced that next Monday Dr. Frederick Shaffer will speak on his recent tour in Europe.

complaint is 23 pages in length and is a demurrer to each of the counts and each of the allegations.

In connection with count one, the complaint brought by Great Lakes, the company declares that the facts "alleged in the first count do not set forth a contract between the parties to this count."

"It is unambiguously indicated that the offer of Great Lakes Cherry Producers Marketing Cooperative, Inc., was subject to acceptance by the defendant by signing the contract or notifying Great Lakes Cherry Producers Marketing Cooperative, Inc., by telegram of the defendant's acceptance. Such provisions as to the manner or mode of acceptance were not complied with by the defendant and, therefore, there was no contract."

The defendant company also claims that, if it should be determined by the court that an oral statement to "go along with the association" amounts to an acceptance by the defendant on July 5, 1959, of the offer to enter into a contract, "then the court will take judicial notice of the fact that the contract was made on Sunday and therefore contra bonos mores and not enforceable."

In all of the succeeding counts and alternates, filed by individual growers, the company points out that the facts alleged do not establish a contract between the parties and, "if it should be determined . . . that the facts . . . set forth a contract," then "the facts alleged show that the defendant fully performed all of its obligations under such contract. Under the terms of the contract as set forth . . . the defendant was obligated to pay only for U. S. No. 1 cherries and therefore not obligated to pay for cherries of any other grade."

Each of the growers in the original complaint had listed percentages of U. S. No. 1 grade cherries delivered by him.

Jail Two Men For Sentence Court

Two Gettysburg R. 2 men pleaded guilty to a total of four counts at a hearing before Justice of the Peace Robert P. Snyder Monday evening and were returned to the Adams County jail for sentence court.

Horace S. Neely, 40, pleaded guilty to larceny last Thursday of an Opel sedan owned by Clarence Weitzel, 142 Seminary Ave. The information was filed by state police.

Daniel F. Shorb, who was jailed Saturday on charges of assault with an automobile, operating during suspension, resisting arrest and a traffic violation, also pleaded guilty to the three counts which were filed by state police.

Neely was arrested by state police Saturday night one mile from Gettysburg on the Fairfield Rd. driving Weitzel's car. The car had been damaged.

exercises to be held in the new high school this spring will be C. W. Eisenhart, a native of the East Berlin community who is now principal of the Steelton-Highspire High School. The baccalaureate-commencement exercises will be held May 28.

Supervising Principal Amos D. Meyers presented some preliminary information on the 1961-62 budget which indicated an increase of about 10 per cent over this year. He said state-mandated salary increases for the teachers, increased enrollment and operation of the new school plant will account for much of the increase.

TO PRESENT BUDGET

The budget will be presented for preliminary approval in March. The directors approved the calendar for the next school year calling for opening of the schools on Tuesday, September 5, and the closing on June 1, 1962.

The board also was told that, because of increased enrollment, an additional First Grade teacher may have to be added next September. Present indications are that there will be 75 beginners in the York Springs Elementary School and 55 at East Berlin.

The cafeteria reports showed 9,083 student lunches served at York Springs in January and 6,162 served at East Berlin. The cafeterias operated for the month with a profit of \$555.

President Richard Hoffman presided at the meeting.

ruary 20. The finance committee will meet at the Y on February 22 at 2 p.m. to prepare the new budget.

Mrs. Paul appointed Mrs. Ecker and Mrs. Heim to represent the Y at the annual meeting of the Gettysburg Community Chest.

Mrs. Roy Hammond was appointed chairman of the nominating committee to select officers of the board. Miss Anna Shyrock and Mrs. Edmund Thomas are on the committee.

Mrs. Arthur E. Rice, Miss Verna Kitzmiller and Mrs. Robert Willis were appointed tellers for the election March 18.

All retiring board members were urged to return their membership kits to the office, so they can be passed on to new members. Mrs. Frank Hewetson, public affairs committee chairman, reported the tour of the capitol was cancelled because of the weather. It will be arranged at a later date. She discussed plans for four afternoon study groups regarding "Why Do We Have To Grow?" The date and leaders will be announced later.

Lenten services each Sunday and Wednesday during Lent at 7:30 p.m. will have as the theme, the school of prayer, and the sermon topics listed by the pastor include: February 26, "Our Father, Who Art in Heaven"; March 1, "Hallowed Be Thy Name"; March 5, "Thy Kingdom Come"; March 8, "Thy Will Be Done"; March 12, "Give Us This Day"; March 15, "Forgive Us as We Forgive"; March 19, "Lead Us . . . SCOUT WEEK DINNER HELD; TEETER TALKS

Attorney Daniel E. Teeter, Black Walnut Boy Scout District finance chairman and vice president of the York-Adams Boy Scout Area Council, was the speaker Saturday evening at a Boy Scout Week dinner held at the Aspers Fire Hall for 225 Cubs, Scouts, Explorers and their officials and families.

The banquet was prepared by the Mothers' Auxiliary of the Gardners-Idaville-Aspers Scout units. The Girl Scouts of Patrols 1 and 2 of Bendersville Troop 31 were waitresses. Most of the food was donated by businessmen and individuals of the upper county area.

Attorney Teeter read a story entitled "Let Us Rally" and spoke of cooperation in the home, community, nation and the world. Stanley C. Rogers, Black Walnut District Scout field executive, spoke on Scouting and introduced Mr. Teeter.

AWARDS PRESENTED

Officers of the Mothers' Auxiliary and various leaders and representatives of the Cubs, Scouts and Explorers were introduced. The Cub Promise was given by Gregory Weaver of the Aspers Cub Pack.

Robert Eisenhart, chairman of the Cub pack and assistant Scoutmaster of Troop 75, presented the following badges and awards to Cubs: Bobcat, Randolph Smith, William Wilkinson, Boyd Henderson and Gerald Black, Wolf Silver Arrow and Lion, Danny Taylor, Wolf Gold Arrow, Gary Smith and Gregory Forsythe, Bear Silver Arrow, Billy Wright, Bear, Gregory Weaver, Denner stripes, Richard Little, Terry Freed and Danny Taylor. Den chief cord, Harold Heller.

Merl Eisenhart, Scoutmaster, and Charles Trump, chairman of the troop committee, presented the following badges and awards to Scouts and Explorers: Second Class: Robert Luckenbaugh and Mike Komez; First Class: Thomas Osborn; Star: Robert C. Thompson and Daniel Eisenhart.

GET MERIT BADGES

Merit badges awarded were: Roger Under, first aid; David Stonaker, cooking and rabbit raising; Robert Thompson, fireman; Mike Thompson, first aid and soil and water conservation; Dan Eisenhart, first aid and art; Gregory Eisenhart, citizenship in the home and citizenship in the community.

Dan Eisenhart and Gregory Eisenhart were presented with one-year perfect attendance awards. One-year service stars were given to Scott Deatrick, Robert Luckenbaugh, Jay Galloway, Dave Griffith and Thomas Mickey and a three-year service star to Bill Gardner.

Charles Galusha was admitted as a new member to the troop. The Scout Oath was recited by Explorer Scout Richard Rothenhoefer.

It was announced that the Explorer Scouts are going to "Camp Slites" in Potter County over the weekend. The Scouts will take a hike over the Appalachian Trail on Saturday, February 25.

Sunday morning approximately 45 Cubs, Scouts and Explorers attended Sunday School and church in a body at Christ Lutheran Church, Aspers. Many of their parents were also present for the services.

Teachers Reach "Pearly Gates"

Only "Humble Harriett" (extreme left), played by Mrs. Kathryn Oyler, Keefauver Elementary School teacher, won her crown and was ushered through the "pearly gates" at the rear in a playlet entitled "At St. Peter's Gate," presented as the conclusion to a day-long teachers' workshop at Gettysburg High School Monday afternoon.

Saint Peter, played by Elmer H. Schriver, seated with the "Doomsday Book" spread open before him, ruled the other ex-teachers had fallen short in service to their profession or their community and fellowmen, as he scanned the records of the other applicants for admission, played by John O'Brien, Mrs. Marian Ecker and Miss Louise Ramer, extreme right. The angel with the fixed halo, who served as messenger and escort, is Mrs. Barbara Hess, a local elementary teacher. The playlet was provided by the National Education Association and was directed by Mrs. Ruth Wisler.

RATIFY CONTRACT

The school board ratified action taken last month by its property committee which opened bids and awarded a contract for a supplemental heating unit for the all-purpose room at the Meade School.

Bids have been secured on both hot air and hot water systems and the committee gave the contract for a hot air system to Roy E. Coldsmith, Inc., Gettysburg, at the low bid of \$570. The board was told Monday that the system has been installed and is ready to go into operation this week. Bids on hot water systems ranged up to \$1,495.

OPEN TWO BIDS

The joint board opened two bids on nine items of scientific equipment for the elementary grades to be purchased under

terms of the National Defense Education Act. The bids were referred to the supply committee for study with authority to award contracts. Board ratification will be asked next month.

Elementary Coordinator Richard A. Folkenroth announced that the first registration day for next fall's beginners will be Thursday, April 6.

In response to requests read at the meeting, the joint board granted the Adams County Girl Scout Council use of the auditorium and cafeteria at the high school for a Girl Scout rally March 18; use of the cafeteria and auditorium to the Adams County Farm Bureau for an annual meeting March 9, and use of the high school gymnasium was given the Jaycees for their annual antique show next August 18-20.

A request from a Boy Scout unit in Michigan to use school facilities during a visit here in

June was referred to Scout Executive Stanley Rogers.

The Gettysburg Symphony Orchestra was given permission to use the high school auditorium for one rehearsal and for an April Sunday afternoon concert at the usual rentals.

The matter of a maintenance contract for heating system controls in the Eisenhower School was referred to the property committee for study and recommendation.

Bills totaling \$15,782 were ordered paid.

Supt. Riegle announced a meeting Thursday evening at York Springs on "Current Legislation Affecting Our Schools" and a state school board institute at Penn State University March 21 and 22. He also announced the annual dinner meeting of the South Penn Study Council at Chambersburg April 25.

Ask Senate Confirm Rittase As Justice

HARRISBURG (AP)—The Senate has been asked to confirm Gov. Lawrence's appointment of Wallace Dean of Meadville to a second eight-year term as a state fish commissioner.

Dean, who became commission chairman last July, has been on the agency since May 25, 1953.

Lawrence Monday also requested confirmation of these appointments:

Justices of the peace — Roscoe W. Rittase, Littlestown, for that Adams County Borough; Benjamin A. Laphis, Spring City R. 1, for East Vincent Twp., Chester County, and Mrs. Winifred B. Krider, Meadville R. 5, for Vernon Twp., Crawford County.

Takes Food Service Course At Ft. Knox

WAC Pvt. Mary E. Bishop, daughter of Mr. and Mrs. Oscar R. Bishop, R. 3, is attending the eight-week food service course at The Armor School, Fort Knox, Ky. The course is scheduled to end March 9.

Private Bishop is receiving training in cooking, baking, meat cutting and operating a field kitchen.

She entered the Women's Army Corps last October and completed basic training at Fort McClellan, Ala.

She is a 1960 graduate of Lewis-town High School.

AUTOS COLLIDE

Cars operated by William L. and Thomas W. White, 20, of Emmitsburg, R. 2, collided almost head on Sunday at 3 p.m. on a Washington Township Road, 2.2 miles east of Waynesboro. Each driver said his vehicle skidded on the icy surface of the road as the brakes were applied. Damage to each car was placed at \$150.

monthly reports were submitted as follows: First National Bank, school district treasurer, showing a February 1 general fund balance of \$30,193 after expenditures of \$70,087 and receipts of \$50,313; the high school cafeteria which operated 20 days served an average of 863 students and 26 adults with a profit of \$648; Eisenhower School where 640 students and 25 adults were served daily for a net profit of \$733, and Keefauver School where 573 pupils and 36 adults were served daily for a net profit of \$103.

The activities fund report showed a current balance of \$21,724.

Find Fortune Of \$340,000 With Body Of Woman

WILMINGTON, Del. (AP) — Police broke through a locked door of an apartment Monday and found the body of Isabelle B. Tuchten, 76, a retired school teacher. In hat boxes, envelopes and bureau drawers they found \$40,000 in cash and stocks and bonds worth more than \$300,000.

Miss Tuchten lived alone since the death of a sister, Mrs. Elen Ross, several years ago.

Coroner William J. Dougherty said death, probably Saturday, was due to natural causes.

Police were summoned by neighbors alarmed when they failed to see Miss Tuchten for several days.

Besides the cash and bonds, police also found keys to safety deposit boxes in several banks, indicating perhaps more wealth.

who had been ill when Lincoln left Washington. About 11 o'clock that evening, Lippy said, Lincoln sought out Wills to learn his position on the program the next day.

Lippy told about the dedicatory exercises at the cemetery where Everett spoke for two hours and Lincoln for 2 1/2 minutes. He described how Lincoln felt he had failed in his address while Everett correctly noted that the speech would live. Five copies of the Gettysburg Address were written by Lincoln. The most recently sold brought \$65,000.

Observing that more has been written about Lincoln than any other man, Lippy noted that the Lincoln Speech Memorial in the National Cemetery here is the only memorial to a speech in the world.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

FIFTY YEARS AGO

Boy Unhurt In Runaway Auto:
Lewis, a ten-year-old son of Mr. and Mrs. Lewis Crist, Sr., of near Abbottstown, experienced an exciting ride in a runaway automobile in which he escaped injury though the machine was badly battered.

Father and son were enjoying a ride in the machine. When in the act of turning it about in the road it was backed into the gutter where it became stuck in the mud. The father alighted from the machine while the engine was still running and when about to push it out of the mud it started off suddenly with the boy on the seat.

The boy knew nothing about running an automobile and the machine zig-zagged along the road leading from the East Berlin pike to the Gettysburg pike for some distance. At the farm of George Lauer a part of the paling fence was wrecked when the machine struck it, and a half mile farther south a collision with a telephone pole put the automobile out of business.

Must Have Hall For Convention:
A convention with 1,200 delegates requiring a hall with a seating capacity of 1,500 will come to Gettysburg for the asking according to statements to The Times by a local member of the State Grange. Brief mention was made yesterday of the fact that this meeting will be invited here if co-operation on the part of Gettysburg can be secured. Mr. F. B. Myers, secretary of Pomona Grange of Adams County 61, says:

"There will be no trouble whatever in getting the state meeting here and so strong is the sentiment for Gettysburg that an invitation is all that is necessary to get the big meeting."

Weddings — Slusser-Day:
On Sunday Rev. P. W. Groupe, of Idaville, married James F. Slusser and Miss Zula Alice Day, both of Huntingdon township. Mr. Slusser is a son of Mr. and Mrs. George W. Slusser, and the bride is a daughter of Mr. and Mrs. William Day.

Strasbaugh-Lease:
Fabian E. Strasbaugh, son of Mr. and Mrs. Joseph Strasbaugh, of Oxford township, and Miss Gertrude Lease, of New Oxford, were married in New Oxford on Saturday by Rev. John L. Shields.

Gas From Stove Causes Trouble:
The timely wakening of her little daughter saved Mrs. Edw. Myers and the child, of Liberty street, from death by asphyxiation about seven o'clock in the morning. Dr. H. M. Hartman was summoned and, though both had inhaled much of the gas, they suffer little from the effects of their experience.

The bedroom of Mrs. Myers is heated by a pipe from the kitchen range and before retiring she had closed the damper on this pipe. About seven o'clock in the morning the little daughter got awake sick from the gas-laden air which she had been breathing and called to her mother. Mrs. Myers did not get awake and the child screamed until she was finally aroused.

Two Prominent Residents Die:
David Brown Myers, one of Adams county's most prosperous and best known business men, died at his home at Gardners Station at 8:30 this morning after an illness of several weeks. He was aged 62 years.

Andrew J. Bittinger, a well known and highly respected citizen of Arendtsville, died at his home in that place at five o'clock this morning from a complication of diseases aged about 70 years.

Fights For Eyesight:
Frank Nichols, who was injured in a dynamite explosion on the trolley extension near Pen Mar some time ago, is rapidly regaining his strength in the Chambersburg Hospital. It will be remembered that both of his legs were broken and he was otherwise injured.

Today's Talk

OUR INDIVIDUAL SEPARATENESS

We are ruled and governed largely by the mass—crowds, collected thought, public opinion. And yet it is almost solely through our individual separateness of thought and action that we rise and go forward.

We can agree and the crowd will let us keep step with it—its approvals touching ours. But if we would clothe a new idea or desire to express something of our true and honest feeling, it is often necessary for us to take a separate path, and sometimes a very rough and untrodden one. And in the end, this here-and-now existence may mean a cross to bear—but even that will not matter so much, for he who aspires to greatness never figures out the cost in advance.

It isn't pleasant to walk the lonely road, to feel an individual separateness, but it has compensations that loom like mountain peaks crowned with their white-ened snows.

Take the picture of the fall of leaves this past autumn. Each leaf finally fell alone, separate and distinct as a factor in nature, though only after an association of months together with an entire tree of leaves beautified by summer rains and sun.

You picked up one of those fallen treasures with its gorgeous colorings. You stooped for another—and another. And no two could you find that were exactly alike. Each had lived its own individual separateness, though massed with the whole.

We may aspire. We may reach. The good God will put things in our way so that we may take hold upon them and thus be helped and guided. But it shall ever remain to the man or woman himself, or herself, to the personality itself, really to pilot its own career.

Life is set with choices. We select those into which we may best fit. It is then our privilege to help make the world better and happier.

Tomorrow Mr. Adams will talk on the subject: "To Be Kind" Protected, 1961, by The George Matthews Adams Service

Just Folks

ST. VALENTINE
Tis told of Bishop Valentine
Between the history covers,
He pencilled many a pretty line
For shy, unlettered lovers.

He fashioned many a tender phrase
For those who hesitated,
And by his gracious, winning ways
Got many a couple mated.

When'er he met a man afraid
To say: "I'm altar headed,"
The bishop told it to the maid
And promptly got them wedded.

So oft he penned the phrase:
"Be mine!"
A grateful Roman nation
Bestowed a day on Valentine
For loving celebration.

Now here's the day, and near and far
The postman wise discovers,
That all the women sweethearts are,
And all the men are lovers!

SAY STUDENTS FACE A TOTAL ANNIHILATION

By G. K. HODENFIELD

AP Education Writer
DETROIT (AP)—Unless the students of today learn to live in the world of tomorrow they face annihilation in a global holocaust.

High school principals from across the nation accepted this grim premise today in considering sweeping proposals for greatly strengthened programs in the social studies.

A position paper submitted by a special committee of the National Association of Secondary-School Principals, convening here, put it bluntly.

SOCIAL STUDIES COURSE

"Preparing students for living in this and the 21st century demands a kind of social studies instruction which their parents and teachers never experienced," the committee said.

"The very existence of mankind today depends upon man's control of his social environment. Man must use his vast new sources of power for constructive purposes. The alternative is the creation of a global holocaust."

The term "social studies" is usually interpreted to mean such subjects as history, geography, economics, sociology, civics and the like. All deal, in general, with man's relations with his fellow man.

BECOME POLICY
The position paper has been distributed to more than 5,000 principals attending the convention. It is a tentative draft, but only minor revisions are expected.

Littlestown

MORE THAN 100 AT DISTRICT EAGLES' MEET

Over 100 persons attended the quarterly meeting of the Eagles District held on Sunday afternoon with Littlestown Aerie No. 2225, F.O.E. as the host lodge. The district is comprised of the aeries from Lancaster, Lebanon, Harrisburg, York, Waynesboro, Hanover, Gettysburg and Littlestown. The weather conditions curtailed attendance.

At the District Auxiliary session, nine new members were initiated into the local unit. Initiated were: Ruth Werwer, Susan Crisamore, Anna Scott, Mary Sheely, Vivian Weaver, Bonnie Jones, Nadine Adams, Esther Speelman and Kathryn Hull. The York Degree Team was unable to be present to conduct the initiation. Mrs. Ruth Fuhrman, unit president, and Mrs. Ruth Crouse, zone leader, were in charge of the initiation. The next district meeting will be held in Lebanon. Refreshments were served following the business and there was dancing.

The local auxiliary will have the semi-monthly gathering at 8:30 p.m. on Wednesday following the community Lenten services in the aerie home social room.

HOLD VALENTINE SOCIAL

A Valentine social was enjoyed at the meeting of the Luther League of St. John's Lutheran Church on Sunday evening. The gathering opened with the scripture reading by Shirley Blair, and two topics, "The Origin of Valentine's Day" and "Friendship," were discussed by the president, Bonnie Storm. Group games were played and were led by JoAnn Beamer. Refreshments were served by Beverly Morehead, Kathy Miller, Janice King and Mrs. George Trump. The program included Larry and Dale Blair, Carol Hollinger and JoAnn Beamer. The regular meeting will be held next Sunday at 6 p.m. when the guest speaker will be Richard D. Thomas, a member of the Littlestown High School faculty.

Mrs. Kent E. Daum, president of the Woman's Society of Christian Service of Centenary Methodist Church, has announced that all women participating in the annual World Day of Prayer Service on Friday at 7:30 p.m. in Centenary Church will have rehearsal on Wednesday at 9 p.m. in the host church.

Girl Scout Troop 45 will meet on Wednesday after school in the engine house.

BAPTISMS HELD

The Cherub and Junior Choirs of Redeemer's United Church of Christ will not rehearse this week. The Cherubs will have rehearsal next Wednesday, February 22, at 6 p.m. and the Juniors will rehearse at 6:30 p.m. on February 22.

Yvonne Carol Six, infant daughter of Larry Elwood and Carol Elene (Long) Six, Taneytown R. 1, was baptized following the Sunday morning worship service in Redeemer's Church by the pastor, the Rev. Glenn Flinchbaugh. The baptismal sponsors were the child's maternal great uncle and aunt, Mr. and Mrs. Donald G. Garner, Hanover R. 4. The child was born December 30, 1960.

Cub Scout Den 9 will not meet this week. The next gathering will be held on Thursday, February 23.

WASHINGTON (AP)—Rep. Carroll D. Kearns, R-Pa., has introduced a bill to allow a tax deduction for homeowners who renovate their homes. Kearns said Monday the measure would increase employment in Pennsylvania and other states hit by the recession.

before it comes up for approval by the convention delegates Wednesday. If approved, it becomes association policy.

The position paper calls for required courses in the social studies in every year of the junior and senior high school, and for every student, whether college bound or not.

For students able to handle the work, the committee recommended elective courses at every level. High school courses in this area might include courses in U.S. foreign policy, contemporary problems in economics, or history of Latin America and the Far East.

New Summer White House Is Rumored

HYANNIS PORT, Mass. (AP)—An oral sales agreement reached last week could mean that isolated Squaw Island off this Cape Cod home of the Kennedys could become the site of the summer White House.

Reports attributed to Hyannis Port legal sources said Edward M. (Ted) Kennedy, youngest brother of the President, and Chicago industrialist Philip A. Wiggins discussed sale of the Wiggins estate to the Kennedy family and an oral agreement was reached. Squaw Island has about six summer estates. It is accessible only by a narrow causeway owned by the town—thus providing security that is not possible at the Kennedy Hyannis Port homes.

Is Presented Money Instead Of Dinner

DETROIT (AP)—Valentine's Day was meaningful in a particular way to former Detroit newspaper women Vera Brown.

Important people in town wanted to throw a spread for Miss Brown. A columnist of the former Detroit Times, she had helped to cover Detroit for 40 years. She made countless friends.

But in 40 years Vera had gone to many a dinner in the course of work.

So instead she's getting a check, from former Chrysler Corp. President K. T. Keller, dinner committee chairman. It's from the \$10-a-plate proceeds. The sum is a secret.

3 Fake Sculptures Displayed Since '33

NEW YORK (AP)—The Metropolitan Museum of Art has discovered that it has been exhibiting three fake sculptures since 1933.

The three large famous terra cotta sculptures of warriors had been labeled "Etruscan"—of about the fifth century B.C.

Posted today in the museum's distinguished Etruscan collection was a notice saying that as a result of modern scientific analyses the museum had received "proof that these famous statues were not made in ancient times."

The museum did not say how much was paid for the warrior figures. All were in fragments when acquired—presumably in Italy.

DIEHL MATEER WILL RETIRE

PHILADELPHIA (AP)—Diehl Mateer of Philadelphia, who lost out to Henri Salaun of Boston on Monday in the National Squash Racquets singles championship, says he is retiring from the competition.

After Salaun had won the 51-minute match 15-18, 15-5, 15-11 and 15-12 for his fourth title, Mateer, the defending champion, told newsmen.

"I can truthfully say that he (Salaun) has sealed my retirement right here and now."

Mateer's pretty wife, Joan, indicated that her 32-year-old husband would not retire entirely from singles competition but restrict himself to a few local events.

Meanwhile, Calvin MacCracken of Englewood, N. J., Monday captured his second straight seniors title for players 40 or over by winning over Howard Davis of Philadelphia, 15-8, 15-6, 13-15 and 15-12.

Finds Business While Lunching

LaSALLE, Ill. (AP)—Asst. State's Atty. Thomas Anderson went into Al Murdock's tavern for a sandwich and came out with a court case.

Anderson said he saw a customer with lottery tickets sold by the bartender. He went to the police station, obtained a warrant and returned to the tavern with five policemen.

Justice of the Peace Eugene Galassi held Murdock over for county court when he entered a guilty plea and posted \$200 bond.

REPORT SHOWS '60 EARNINGS EVEN WITH '59

By SAM DAWSON
AP Business News Analyst
NEW YORK (AP)—Corporate earnings in 1960 as a whole ran a dead heat with 1959.

Results in the current January-February-March quarter also may show a photo finish with net profits of the last three months of 1960. But they probably will finish behind the strong showing of the first quarter of 1960.

Through the rest of 1961 after-tax earnings have a good chance of making a better year-to-year comparison with the like quarters of 1960, when net income sagged further in each three-month reporting period.

COST CUTTING HELPED

Cost cutting by many corporations helped brake the downturn by the end of last year. Strong continued climbing by some industries and many of the biggest companies cushioned the fall for the rest of the list and managed to keep the over-all corporate income even with or a bit ahead of a year ago.

Stock traders are keeping a particularly sharp eye on earnings statements just now because of the selective nature of the market stirred by cross currents of domestic and international uncertainties.

Results will continue to zigzag almost daily as the rest of the corporations report on how they fared in 1960.

MANY SHOW EARNINGS

But the first 533 companies to report show 272 increased earnings over 1959, in many cases because strikes and other troubles had made 1959 bad for them; while 261 report declines from the previous year.

Combined the 533 report earnings of \$10,561,982,000, for an increase of just 0.02 per cent over the \$10,559,726,000 the same companies showed in 1959.

The 404 industrials in the list slipped behind by a cumulative 0.66 per cent, and the 47 railroads and communications firms advanced by 8.3 per cent.

Despite the so-so earnings showing, total cash dividend payments kept ahead of 1959, although the gain was much smaller than in other recent years.

Tax receipts from corporate profits disappointed the U. S. Treasury and sent it into the money market to borrow more cash, because the federal budget had been built on a prediction of pleasantly rising profits in 1960.

Hope for better profits by mid-1960 are built on expectations in many quarters that industrial production and sales will rise by then—and also on widespread cost paring, including automation, which if it isn't restoring profit margins on sales at least often is halting the fall.

STEEL RESULTS MIXED

Industries which for one reason or another managed to look better in 1960 than 1959 include oil, mining, rail equipment, motors, food, coal, tobacco and utilities.

The steel industry results were badly mixed. There were 10 higher, mostly big firms, and 19 lower.

Only slightly lower in profits were retail, chemicals, drugs and beverages. More sizable downturns were reported by building materials, farm equipment, machinery and tools, electrical equipment, rubber metalworking, textiles, paper and railroads.

The Keysville-Detour Home-makers Club meeting will be held Thursday at the home of Mrs. Mark Baumgardner near Keysville. The demonstration will be "Sea Food and Herbs." Leaders are Mrs. Leonard Poole and Mrs. Donald Hoff.

Choir rehearsals of Trinity Evangelical Lutheran Church will be held every Wednesday evening: Youth choir at 6:30 p.m. and Senior Choir at 8:30 p.m., instead of Thursday evening during Lent.

Miss Anna May Haycraft, a student at the Maryland Institute of Art, Baltimore, spent the weekend with her parents, Mr. and Mrs. William J. Haycraft, E. Baltimore St.

The Women's Guild of Grace United Church of Christ met recently in the parish house of the church. The Executive Board had charge of the meeting.

The topic, "The What, the Why, and the How of Christian Service" was presented as a panel. Mrs. George Fream, as moderator, discussed "What Is Christian Service." "Why We Serve" was discussed by Mrs. Marian Rue, Mrs. Catherine Martin and Mrs. Pauline Garner. Miss Margaret Shreeve and Mrs. Ruth Shoemaker discussed "How We Serve."

A business meeting and social hour followed the meeting.

GHS Invades Waynesboro For Big Game; Faust To Meet Junior High Here

A heavy basketball program is scheduled for tonight with top billing going to the Gettysburg-Waynesboro High School game at Waynesboro.

The Warriors, who handed Carlisle, first half champ, a surprise in winning 63-52 here on Friday, are now in the thick of the second half race of the South Penn League with a 2-0 mark, trailing Chambersburg 3-0. Waynesboro is 2-1 in the second half.

Winning at Waynesboro will be no light task for the Warriors who were walloped here 72-54 by the Indians. Gettysburg is 10-4 overall while Waynesboro is 10-11.

HANOVER AT BIGLERVILLE
Biglerville High entertains Hanover in the other league contest tonight.

Carl Schoenborn's Junior High dribblers will try for their third straight victory here tonight when Chambersburg Faust will be met in a league doubleheader, the preliminary starting at 6:30. The Braves' varsity lost a 38-35 extra-period game to Faust at Chambersburg on January 25.

Adams-Franklin League games tonight include Buchanan at Berks, Littlestown at Fairfield, Greencastle at New Oxford, Fannett-Metal at Scotland, and St. Thomas at Quincey.

Delone Catholic gets its first taste of second half action in the Central Penn Catholic League this evening when it plays at Lancaster Catholic. Other league games include McDevitt at York, and Shamokin at Lebanon.

Two collegiate games are also scheduled for tonight.

BULLETS, MSM PLAY

Gettysburg College (11-6) journeys to Dickinson for a return game with the Red Devils. The Bullets won handily here on January 10 by an 85-63 score.

Over at Emmitsburg the largest crowd of the season is anticipated when Mt. St. Mary's tangles with powerful American University of Washington, D. C.

The Mount and American are both ranked high by the Associated Press among the nation's top small college teams.

Mt. St. Mary's leads the Northern League of the Mason-Dixon Conference with a 9-0 record while American tops the Southern League with a 4-1 record.

Delone Freshmen Bow To McDevitt

The Delone Catholic freshmen lost a 36-20 decision to the Bishop McDevitt cagers at Harrisburg Monday in the makeup of a postponed game.

On Thursday the Squires will meet St. John's at Westminster.

Says Employees Of State Must Work

HARRISBURG (AP)—Senate employees were on notice today to show up for work or be fired.

Sen. Anthony J. Disilvestro, the new Senate president pro tempore issued a directive Monday which he said would ferret out what he called ghosts on the payroll.

The order said salaried employees are expected to work a five-day week and per diem workers—those paid by the day—must be available when the Senate is in session.

Anyone failing to sign the directive and return it to Disilvestro's secretary will be fired immediately, he said.

Disilvestro, a Philadelphia Democrat elected to the top Senate post after his party wrested control from the Republicans, said he wanted to find out how many

WAYNESBORO 5 SPURTS TO TOP CANNERS 76-61

Biglerville High's cagers made a gallant bid to snap their losing streak but faded in the final period as they dropped a 76-61 verdict to Waynesboro at Biglerville Monday evening in the makeup of a postponed game. It was the 11th straight setback for the Cannons.

The Cannons jumped out to a 17-10 lead in the first period and held onto their lead at intermission 36-29. Waynesboro cut the lead to 50-48 going into the final frame and then outscored the upper countians in the final round 28-11 to wrap up the decision.

Gordon Harvey led the Cannons with 17 points while Rodney Sheaffer and Wayne Lochbaum each netted 15. Dick Loy and Don Eakle sparked Waynesboro with 22 and 19.

Tonight Biglerville meets Hanover at Biglerville in another South Penn game. Meanwhile Waynesboro hosts the Gettysburg High Warriors in a crucial contest.

OHIO STATE IS RANKED FIRST

By THE ASSOCIATED PRESS

The continued rise of Cincinnati and Kansas State to positions of national prominence marked this week's voting in The Associated Press basketball poll as Ohio State and St. Bonaventure continued to hold the top two places.

Apparently nothing is going to disturb the Buckeyes (18-0) and the Bonnies (18-1) unless they get beaten. Meanwhile, the two teams from the powerful midland conferences keep moving up, and they could be ready to hand out those lickings by the time the NCAA tournament rolls around.

For the ninth straight week Ohio State drew all the first place votes of the AP panel of sports writers and broadcasters for a perfect 360 point score. St. Bonaventure had 35 second-place votes and one third for 323 points.

GAMES THROUGH SATURDAY

Scoring is on the basis of 10 points for first, 9 for second, etc. Voting is based on results through last Saturday.

The top 10 teams, with first place votes in parentheses:

1. Ohio State (36)	360
2. St. Bonaventure	323
3. Duke	261
4. Cincinnati	237
5. Bradley	196
6. Kansas State	190
7. North Carolina	146
8. Southern California	122
9. Iowa	97
10. West Virginia	88

G-BURG SWIM TEAM VICTIM OF VILLANOVA

The Villanova swimming team dominated Monday afternoon's events as Gettysburg dropped a 65-23 decision to the Philadelphiaans in the Student Union Building pool. The loss was the sixth of the season against one win for the Bullets. Villanova is 4-4 on the year.

Three pool records fell by the wayside and one school mark was established. Don Reed and Mike Powers, Villanova, set new pool records in their respective events. Reed captured a first in the 200-individual medley in 2:22.9 while Powers raced home in the 100-yard freestyle in 54.4 seconds.

Gettysburg's diving ace, Sheldon Brotman, established a new mark in that event with 55.78 points. Doug Seeley continued to lower the school breaststroke record as he won in 2:37.

MEETS WEDNESDAY

Both Gettysburg swimming teams will be in action Wednesday afternoon and night. The freshman squad will entertain Mercersburg Academy in the afternoon and the varsity clashing with Lycoming in the evening.

The results:

Mahovich On Top In NHL Scoring

MONTREAL (AP)—Frank Mahovich of the Toronto Maple Leafs has finally made it to the top in the National Hockey League individual scoring race.

Mahovich displaced Montreal Bernie (Boom Boom) Geoffron as leader last week with a seven-point production in three games after having been within range of the top for several months.

Official NHL statistics released today show Mahovich has a league-leading 43 goals and 26 assists for a total of 69 points in 56 games.

Geoffron, who missed six of Montreal's 54 games with a knee injury now has 68 points on 32 tallies and 36 assists.

Dickie Moore of Montreal held onto third place with 63 points.

Robertson's 40 Leads Cincinnati

By THE ASSOCIATED PRESS

Thanks to rookie Oscar Robertson's 40-point performance, the Cincinnati Royals still were within striking distance of a Western Division playoff berth in the National Basketball Association today.

The Royals beat the team they had to Monday night—the Los Angeles Lakers—104-100 at Dayton, Ohio. This left Cincinnati three games behind the third-place Lakers in the Western Division standings.

Elgin Baylor was high scorer for Los Angeles with 31 points.

No other games were scheduled.

SAVITT WINS INDOOR TITLE

By WILL GRIMSLEY

Associated Press Sports Writer
NEW YORK (AP)—Big time tennis—Wimbledon, Forest Hills and the Davis Cup—holds no more fascination for Dick Savitt.

The towering, stoop-shouldered New Yorker, who at 34 still can match shots with any amateur in the game, plans to put his prized National Indoor championship trophy in the family showcase and quit tournament play for good.

"And I mean for good," Savitt said today. "I may play in a weekend social tournament somewhere, but never in a national event—not in this one or any other. I wouldn't have played this year if I hadn't wanted that trophy so badly."

BEAT REED

In beating Whitney Reed of Alameda, Calif., 6-2, 11-9, 6-3 Monday at the Seventh Regiment Armory, the Manhattan oilman won the National Indoor for the third time and retired the tall silver trophy. He also won in 1952 and 1958.

Ron Holmberg of Brooklyn and Chris Crawford of Piedmont, Calif., won the doubles title by beating England's Billy Knight and France's Pierre Darmon 6-6, 6-4, 7-5, 6-4.

Chauncey Steel of Cambridge, Mass., captured the senior title, defeating Dr. Reginald Weir of New York 6-3, 6-3. Weir and George Ball of Woodhams, N.Y., took the senior doubles by beating Steele and Robert Haey of Wilmette Ill., 3-6, 6-1, 7-5.

PLANS GROUND WORK FOR NEW RIVER PROJECT

By JOHN KOENIG JR.
Associated Press Special Service
WASHINGTON (AP)—Rep. Daniel J. Flood, D-Pa., is laying the ground work for a new project to be pursued if and when a depressed areas bill is enacted.

What Flood has in mind is an interstate commission for conservation and development of resources of the Susquehanna River Valley.

At present, Flood said in an interview, he is concentrating on pushing the distressed areas bill, but added:

OWN MOMENTUM

"I think this is now going on its own momentum. It won't be easy getting it passed but we now have the help of the administration and we should get it through."

Following that, Flood said, he will really go to work on the Susquehanna River project and will start by contacting the proper state government officials of the flows—New York, Pennsylvania and Maryland.

Flood already has reintroduced a bill he sponsored last year to create a Susquehanna watershed tri-state commission.

ONLY A STARTER

Flood regards this bill only as a starter, however, for his final proposal probably would follow along the lines of what is now being proposed for the Delaware River Valley.

This is a compact between the states lining the Delaware, with the federal government a partner in the proposed development program, which could involve construction of dams.

"The Susquehanna is the last remaining large undeveloped river valley in the country," said Flood. "If we wish to accelerate our economic growth potential certainly utilization of this territory could be a weapon in our arsenal."

NO DEVELOPMENT

Flood observed that outside of York and Harrisburg and some of the anthracite regions on the North Branch Susquehanna there is little or no industrial development along the Susquehanna Valley.

In addition, he said, Pennsylvania's clean streams program and sewage disposal program should provide water pure enough to make the river valley a great recreational area.

Development there also would include flood control measures along the river valley, Flood said. All these matters, he said, could be handled by a watershed commission, to include members from each of the three states affected.

File Another Charge Against Robber

PITTSBURGH (AP)—Another charge, this one for burglary, has been added to the record of a Philadelphia man whose recent escape from a Camden, N. J., led to the accidental fatal shooting of a policeman.

Donald Murphy, 29, already has been charged with robbery and attempted auto theft since fleeing jail Feb. 4.

Police filed the burglary charge Monday, saying they found a wallet, a hat, a gold watch and other items in Murphy's hotel room. They said the items were taken from a home here Saturday.

Murphy was accused earlier of robbing a man in Pittsburgh of \$4 and a record player at gunpoint and of trying to steal the same man's car across the street from a police station.

Police said Murphy broke out of jail by forcing a guard at gunpoint to open a door. A policeman was shot fatally by mistake in the manhunt that followed.

SENIORS' PGA OPENS TODAY

By WHITNEY MARTIN
Associated Press Sports Writer
DUNEDIN, Fla. (AP)—The graybeards—contestants 55-years-of-age and over—held the spotlight today as the 22nd annual Professional Golfers Association \$15,000 Seniors Tournament opened over the PGA national course.

The youngsters, or those in the 50-54 age bracket, bided their time until Wednesday when they also will stake their bid for the teachers trophy and an expense-paid trip to England and a match with the British senior champion.

A record field of 382 is competing this year.

The 55-and-over group will play its second round Thursday and the 50-54 contestants will play their second 18 Friday. Friday night the field will be cut to 125 and ties for the final two rounds Saturday and Sunday to complete the 72 holes for the big prize.

PROMINENT NEWCOMERS

Among the more prominent of the newcomers is Jimmy Demaret, the rollicking Texan who has three times won the Masters and whose eligibility for the seniors competition will come as a surprise to many fans who consider him part of the contemporary younger golf scene.

Gene Sarazan, a caddy 58; Al Watrous, who admits to 62; Mortie Dutra, 61; Jock Willoweit, 57, and Bill Mehlhorn, 62, are just a few of the over-55 who could hit a hot streak and take it all.

Dick Metz, 53, won last year with a 72-hole total of 284. Paul Runyan and Tony Longo, tied for second with 289. All three are back to try again.

JOHNSTOWN, Pa. (AP)—Mansfield and Indiana are still the top teams in the Pennsylvania State Colleges Basketball Conference.

Indiana, the defending conference champion, is first in the Western Division with an 8-0 slate and 231 rating points.

Mansfield leads the east with seven conference wins and no defeats and 236 points.

WEATHER IS FAIRLY MILD

By THE ASSOCIATED PRESS
The nation's weather showed only minor changes today, with only scattered areas of precipitation and fairly mild temperatures in many sections.

More rain fell in the drenched areas along the southern Oregon coast with the wet belt extending into northern California. Showers sprinkled sections of Idaho, with snow flurries in the higher elevations.

Snow flurries also peppered the upper and lower Great Lakes region and in parts of Pennsylvania and New York. Strong winds were reported in some areas. Fog shrouded sections of the Atlantic Coast states, with light rain in some places.

No severe cold was reported but

it was chilly in northern New England and in the extreme northern Plains. Temperatures were in the teens and lower.

Th 20s and 30s prevailed from the northwest Plains through the Great Lakes region and in parts of the middle and north Atlantic states.

Mild winter weather continued in most of the South, with early morning readings in the 50s and 60s.

LUKENS REPORTS

NEW YORK (AP)—Lukens Steel Co. reports a 1960 net income totaling \$4,948,175, or \$5.19 a share.

The 1959 total was \$2,598,496, or \$2.72 a share. Charles L. Huston Jr., president, said Monday the increase was helped by favorable adjustments from unused reserves no longer needed.

EAST BERLIN — The 150th anniversary of Trinity Lutheran Church will be observed April 30 through May 7 with the following events scheduled: Sunday, April 30, 10:15 a.m., guest preacher, the Rev. D. George Berkheimer, executive secretary of the ULCA Board of Pensions; Tuesday, May 2, 7:30 p.m., former pastors' night, with greetings from the Rev. John Strevig, the Rev. H. Snyder Allen, the Rev. Lester J. Karschner and Mrs. Paul Gladfelter, widow of a former pastor; Wednesday, May 3, 7:30 p.m., family night, guest speaker; the Rev. Francis Reinberger, professor of practical theology at the Gettysburg Seminary; Thursday, May 4, 7:30 p.m., community night, with greetings from community ministers; Saturday, May 6, 6:30 p.m., 150th anniversary banquet in the annex, guest speaker, the Rev. Jacob Spangler, pastor of Trinity Church, Wrightsville, the only living ministerial son of the congregation, and Sunday, May 7, 10:15 a.m., guest preacher, the Rev. Dr. Lawrence D. Folkemer, professor of theology at the Gettysburg Seminary.

The committee who has and will be assisting in preparing for this anniversary includes: Lee Fry, Calvin Lerew, Maurice Feiser, Edgar Baker, Mrs. Elmer Mummert, Mrs. Florence Gentzler and Mrs. Hazel Hoffman.

An anniversary welcome sign will be erected on the church lawn by Ira Laough and Charles Gentzler as soon as weather permits. The pastor, the Rev. Harold Stoudt, also said that the anniversary needs the support of is 476 confirmed members in order to be a successful and memorable occasion.

There wasn't much original music but at the end there was a bit of a shocker for those of us accustomed to the clinic ending. Our school mistress discovered the romantic innkeeper is married—his wife is just off visiting her sister—so our heroine sings a final song and presumably continues her sightseeing tour. But without her eyeglasses, as is the way of television.

NEW SHIRLEY TEMPLE SHOW FOR KIDDIES

By CYNTHIA LOWRY
NEW YORK (AP)—"The Shirley Temple Show," turning up early Sunday evenings on NBC, is aimed directly at the younger members of the TV audience. It is described as "a story for the whole family," but when television talks of whole families, it almost always means families with young children. Most of the Shirley Temple programs are adapted from adventure stories for young people. There is emphasis on romantic costumes and places and the language is invariably very simple, clear and forthright.

It isn't the most stimulating hour on television for the older crowd, but generally the kids like it. Sunday night's program was typical. It was adapted from a minor book by Louise May Alcott, a frontier tale called "Onwanda." And it was a simple sweet little story about the friendship between two boys, a white and an Indian. It also was chock full of bows and arrows, raids, captured settlers and rescues.

But it is the sort of show parents need never worry about.

PRaises JANET BLAIR
The folks who mind the store on Dinah Shore's frequent nights off from her NBC show had the bright idea of putting on a musical play, Sunday evening, they chose "Autumn Crocus," once a Broadway show, from which to derive—loosely—the plot. Then they dropped in some songs here and there.

Janet Blair, who looks so pretty and sings so well, took the part of a bespectacled American school teacher on a European holiday. She arrives at one of those quaint Tyrolean villages where all the townsfolk dance and yodel all day. There she meets and falls in love with the innkeeper, played by Ricardo Montalban, in leather shorts.

PLEASANT CHANGE
There wasn't much original music but at the end there was a bit of a shocker for those of us accustomed to the clinic ending.

Our school mistress discovered the romantic innkeeper is married—his wife is just off visiting her sister—so our heroine sings a final song and presumably continues her sightseeing tour. But without her eyeglasses, as is the way of television.

IF YOU ARE FINICKY ABOUT FOOD YOU MAY BE NEUROTIC

By HAL BOYLE

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

If you are too finicky about what you eat, it may be a sign you're neurotic. Psychologists say normal people have fewer food dislikes than the emotionally disturbed.

The country isn't going to the dogs—it's going to the horses. The population grew only 18 per cent in the last decade, but attendance at thoroughbred race tracks leaped more than 55 per cent. In 1960 some 33,933,786 track visitors bet \$2,507,061,567.

MORE NEW DRUGS

Even doctors are finding it difficult to keep up with all the new "wonder drugs." In the last 20 years more new specific drugs have been developed than in all previous medical history.

Good advice: Don't feel downhearted if you strike out when attempting to do something. Babe Ruth struck out 1,330 times in his career, but that isn't what he's best remembered for.

Juvenile puffers: A survey showed some British parents pack cigarettes in their children's school lunch boxes. A fourth of 2,500 young smokers (age 9 to 17) said they did so with full parental knowledge.

NOT SO DEAD

Our quotable notables: "All the

discontented people I know," said David Grayson, "are trying sedulously to be something they are not, to do something they cannot do."

Have you made out your will yet? Two of every five adult Americans haven't. One big reason: Many have a foolish superstition it will bring bad luck. (But the only bad luck it brings is to their survivors.)

Latin isn't as dead a language as you may think. In New England a monthly magazine, printed entirely in Latin, has 30,000 subscribers around the globe.

BETTER GIVE CANDY

Zoo facts: The ancients thought the leopard was a cross between a lion and a panther. This explains its name—leo for lion, and pard for panther.

Red-faced apology: Recently we said anyone wanting to give his girl an unusual valentine could surprise her with a mile of pennies for only \$220. Well, lovers, our arithmetic couldn't have been worse. At least 999 readers have written in to point out that there are 16 pennies in a foot, and a mile of pennies would therefore cost \$844.80. (So give her a box of candy. No girl is worth \$844.80.)

PUN OF THE WEEK

Worst pun of the week: Singer Enzo Stuarti says he knows a musician's daughter who has boy friends by the score!

Religion adds measurably to your personal happiness. Researchers at the University of Michigan found that people whose religion was important to them had fewer personality conflicts than those to whom God remains largely only a three-letter word.

MRS. RALPH LONG

EMMITSBURG—Mr. and Mrs. Paul Keepers and Mr. and Mrs. Paul Humerick observed their twenty-seventh wedding anniversary Friday. Mrs. Keepers and Mr. Humerick are sister and brother, and were married at a double wedding.

Charles H. Myers quietly observed his 86th birthday Saturday. Forty-five members were in attendance at the recent meeting of Brute Council, 1860, Knights of Columbus, held in the Council home with Grand Knight Curtis D. Topper, presiding.

A report on the pre-Lenten dance was given by the chairman, Cy Haley. The renovation committee reported a supporting steel girder had been placed under the third floor. Other plans for the improvement of the building include new lighting fixtures, enlargement of tiling the second floor recreation room and the installation of modern rest rooms.

Paul A. Keepers, chairman of the open house which was recently postponed due to inclement weather, announced that it would be rescheduled for some time in early March. All members desiring to obtain CC (Christopher Columbus) automobile tags are asked to notify Keepers, financial secretary.

Richard Topper was appointed a delegate to the board of directors of the Emmitsburg Community Fund. A communication from the state supreme deputy, urging support of a House bill prohibiting the printing, sale and distribution of obscene literature to juveniles, was read.

The local CYO chapter invited members to attend a series of Lenten movies to be shown Friday nights.

The group authorized the purchase of a troop flag for the local Brownie Troop.

TRUCKER DIES, CRASHES

BEDFORD, Pa. (AP) — A truck crashed through guard rails along the Pennsylvania Turnpike six miles east of here Monday and plunged down a 45-foot embankment.

The driver, Norman A. Rubrecht, 40, of Bangor R. 2, died of a heart attack, according to Deputy Coroner Ralph Mickle of Bedford County.

the year: "Courtesy, caution, common sense can curtail car casualties."

Here's a tipoff on why so many of us have money troubles: Only four out of 10 U.S. families even try to operate on a budget. A third of these families confess they can't make their budget work.

It was G. W. Lyon who observed, "Worry is the interest paid by those who borrow trouble."

Social Security

Q. I was told I had not worked long enough to qualify for social security benefits. Has there been any change in the amount of work required?

A. The amount of work required to get benefits has been reduced by one-third. Anyone who has been told in the past that he did not have enough work under social security to qualify for payments should get in touch with his social security office now to see if he is eligible under the change in the law. However, there has been no change in the minimum requirement of 1½ years of work under social security.

Q. I am a widow and receive social security benefits for myself and two minor children. I have a part time job but do not earn more than \$100 a month. My employer would like me to work more hours in 1961, which would mean that I would earn more money. How would that affect my family's benefits?

A. If you earn \$1,200 or less you get all your benefits. However, your benefits for the year may be reduced by \$1 for each \$2 that you can earn between \$1,200 and \$1,500. Also, for every \$1 that your earnings go above \$1,500, your benefits may be reduced by \$1. Regardless of your total earnings for the year, you will not lose any benefits for months in which you neither earn wages of more than \$100 nor work in self-employment.

Q. Can I qualify for any benefits under the Social Security Act based on the earnings of a worker who died before 1940?

A. Under the recent changes to the Social Security Act, widows 62 and over, aged dependent parents and children with severe disabilities (that began before their 18th birthday) of any worker who died after March 31, 1938, and before January 1, 1940, may now qualify for monthly payments. The worker must have worked under social security for a least a year and a half. If you believe you may be eligible, get in touch with your social security office as soon as possible.

Q. I have been a clergyman for many years but have never taken any action to be covered by the social security program. Is there a time limit under which I must act?

A. There is. All clergymen have until April 15, 1962, to secure social security coverage by filing a waiver certificate (Form 2031) with the Internal Revenue Service. Generally speaking, only new clergymen may elect coverage after that date, and they must file Form 2031 within two years of entering the ministry.

Q. How can I get a brief printed explanation of the latest changes to the Social Security Act?

A. Write or telephone your nearest social security office and ask for pamphlet No. 1 covering the Social Security Amendments of 1960.

STATE TROOPER SHOT 3 TIMES BY SPEEDER; MAN CAPTURED

NEW CASTLE, Pa. (AP) — A state trooper was shot three times Monday night by a man he had stopped for speeding on Route 422 near New Castle.

Police said Thomas Ferriman, 23, of Chippewa Lake, Ohio, was captured at a roadblock about two hours later and admitted shooting trooper Leonard Straple, 30, of the New Castle barracks.

Straple, a veteran of eight years on the force, was listed in serious condition at New Castle Hospital with wounds of the mouth, shoulder and arm.

THROUGH ROADBLOCK

Officers said Ferriman is wanted at Tampa, Fla., for armed robbery.

Seven persons, including two young children and a baby, were in the station wagon that plowed through one roadblock before the capture at another roadblock on a rural road near Sharon.

Ferriman was driving the vehicle carrying his wife Betty. Ferriman was driving the vehicle carrying his wife Betty Joe, 16; their son Claude, eight months; Max S. Parson, 20, of Tampa, Fla.; his wife Ruth Ann, 20, and their children, Michael 2, and Debra Sue, 3.

According to Ferriman's statement to police, this is what happened:

Straple stopped the station wagon, walked up to it on the side of the road and asked Ferriman for the owner's card and his license.

Ferriman, pretending to be reaching for the owner's card inside his coat, pulled out a pistol and shot Straple.

The officer fell to the ground and started reaching for his pistol. Ferriman got out of the car, jumped on Straple and bashed him a couple times with the pistol.

WANTED ELSEWHERE

Ferriman finally took the officer's pistol from him and tossed his own in a snow bank. The weapon was found later in the snow. Straple's pistol was found in the station wagon at the roadblock.

After Ferriman fled, Straple radioed headquarters, and roadblocks were set up.

A charge was expected to be filed against Ferriman today.

Police said Parson also is wanted at Tampa for armed robbery and that Ferriman said he is wanted at Medina, Ohio, on a forgery charge and in North Dakota for parole violation.

DEATHS

MONTEREY, Calif. (AP) — Adm. Richmond Kelly Turner, 75, USN, Ret., commander of all U.S. amphibious forces in the Pacific in World War II, died Sunday, apparently of a heart attack. Turner, who was promoted to the rank of full admiral in 1945, retired in 1947. He was born in Portland, Ore.

FORT WORTH, Tex. (AP) — Bobby Peters, 48, veteran television entertainer and orchestra leader, died Monday after a long illness. Peters, who began his career as an announcer for a Pittsburgh radio station, was born in California, Pa.

ST. PETERSBURG, Fla. (AP)

—Edith Holt Bloodgood, 86, who with her sister, Winitred, founded the New Association for the Blind (the Lighthouse) 55 years ago in New York City, died Sunday. She moved to St. Petersburg from Baltimore two years ago.

DETROIT (AP) — Francis A. McAdam, 58, director of research and development of Huron Portland Cement Co. since 1954, died Sunday after a brief illness. He was born in Newport, R.I.

LOUISVILLE, Ky. (AP) — Benson S. Allemen, 56, official pronouncer of the National Spelling Bee, died Monday. Allemen, director of forensics at Bellarmine College in Louisville since 1956, at one time was active in journalism, public relations and advertising.

SAYS BOREDOM CHIEF TROUBLE

JOHNSTOWN, Pa. (AP) — "It's been an experience. I don't think I'd want to do it again."

This is the way Mrs. Delbert C. Smith Jr. summed up her feelings about her experiences aboard the hijacked Portuguese liner Santa Maria.

Mrs. Smith, her husband and their seven-year-old daughter Deborah were among the 620 persons aboard the ship when it was taken over by Portuguese rebels. The family returned home Monday.

"None of us thought it was a life or death thing," Smith said. "Only during the demonstrations were we worried about danger."

"Boredom was the chief discomfort. It really wasn't as bad as some of these accounts made it out to be. The mental tension was the worst."

"It was a nice ship. I liked the men with the guns."

Smith said the happiest point of the eight-day ordeal was the appearance of an American plane.

Basal metabolism tests, electrocardiograms, biopsies, and electroencephalograms. These terms are just medical mumbo jumbo to the average citizen until he lands in the hospital. Then, suddenly, he becomes aware of their importance in protecting his most precious possession—life itself.

At the same time he learns that these services are expensive—expensive because skilled hands are required to put them into operation and analyze their findings as they relate to his particular illness.

The hands of the hospital specialist are part of the "team" which goes into action on your behalf the minute you are admitted to the hospital.

The cost of these "human" services is reflected in your hospital bill, but if you have Blue Cross you need not worry about expense, for it is prepaid. Remember, Blue Cross and your hospital are partners in protecting the health of the community by providing more service to more people.

Pace Quickens In Search For Life On Other Planets; Hope To Fire Man Into Orbit Soon

Editor's Note — Man today stands poised for his big leap, already pioneered by a U. S. monkey and two Soviet dogs. In three and a half years, the space age has come a long way. This is the first of three articles discussing the exciting prospects just ahead and reviewing the highlights of the grand assault on the unknown.

By ALTON BLAKESLEE
Associated Press Science Writer
CAPE CANAVERAL, Fla. (AP) — Suddenly the big rocket spurts alive in flame and smoke.

Human hearts quicken a beat—for this rocket is daring to thrust a man into orbit in the wondrous frontier of space.

The infant space age is only 40 months old. But in 1961, its dazzling pace is quickening, the goals are widening.

FIRE MAN INTO SPACE

And 1961 promises especially to be the year when man first soars into space—be he Soviet or American.

Some initial steps and rehearsals are already done.

The Soviets last August recovered two dogs which had gone

circling the earth in a great five-ton spaceship. There are some speculations—meeting stout Soviet denials—that the Soviets have already tried and failed to loft up and so have killed one or more men.

For the United States, a great advance came two weeks ago when a spunky, chipper chimpanzee named Ham rode 155 miles high and 420 miles downrange into the South Atlantic for safe recovery.

BIG SPACE EFFORT

But Ham's trip was just part of a tremendous space effort which envisages launching at least 28 U. S. satellites a year.

It calls for a search for life on other planets or somewhere in space. Trips to the moon and Venus and Mars and beyond. Satellites giving global weather reports and precise predictions of blizzards, hurricanes, tornadoes and sunny picnic Sundays. A system of instantaneous worldwide TV and telephone calls and news reports bounced from earth to satellites and back again.

One of the greatest moments will come when a man first looks

down for an awesome, thrilling view of his own round earth, and stars shining with new brilliance in the black depths of the universe.

BREAK GRAVITY SHACKLES

It will mark the first step in breaking the shackles of gravity which kept life down to earth since its beginning.

Let him slip on ice, and gravity brings man crashing down. Gravity holds him safely to his earth spinning 1,000 miles an hour, and limits how high he can jump. Gravity has thwarted his ancient dream to explore the moon and planets.

Achievements in space I Gal 2 The odds run strong the first man in orbit will be Russian. The news, indeed, could come any moment. For the Soviets leaped to a seemingly unbeatable early lead toward the goal of manned space flight.

16-MINUTE FLIGHT

The earliest schedule for an American to go wheeling around the earth is late this year.

Ham passed a critical date in the careful and worrisome timetable on Jan. 31 with his 16-minute sub-orbital flight. The tense moments, minutes and hours of his flight will be compounded 1,000-fold when a living man essays the same journey.

Ham kept pushing levers, as trained, despite the stresses of vastly increased weight at take-off and re-entry, and more than six minutes of weightlessness. His mind and reflexes worked well, indicating man also can think and act in spaceflight.

Sometime this spring probably will come a similar hop by one or more of the seven U. S. astronauts now in rigorous training.

CRITICAL QUESTIONS

Then the program calls for a chimpanzee to orbit the earth, propelled by a more powerful rocket. If all checks out safely, a man is to go.

The critical questions are whether humans can withstand or be protected against the hazards of radiation, bombardment by meteoritic spacejunk, prolonged weightlessness, the jolting take-off and dangerous return to earth. All dreams of landing men on the moon and sister planets, of building and operating space way stations, inns and refueling depots, piloting rescue ships to succor spacecraft in trouble, using human skills in space for peaceful or military aims—all these depend greatly upon how the early spacemen fare.

Even if the U.S.S.R. seizes the plum of being first, the Mercury man-into-space program will continue, say officials of the National Aeronautics and Space Administration.

MANNED EXPLORATIONS

For the human mind and senses the human ability to talk, to feel, describe and make decisions, these qualities can enrich the harvest of knowledge and benefits bound to come from space explorations.

This calls for manned explorations by all interested nations. The Soviet Union ushered in the space age, astounding the world and discomfiting the United States particularly, with Sputnik I sent aloft Oct. 3, 1957.

Since then, the two nations have taken divergent paths in explor-

RULE AGAINST POLYGAMY HAS TO BE CHANGED FOR AFRICANS

By GEORGE W. CORNELL

NEW YORK AP)—One of the big roadblocks to Christianity in Africa is its rule against polygamy. A church official, back from that continent, is convinced there should be some changes in the rule.

"Frankly, after a year over there, I changed my mind about polygamy," said the Rev. Chester Lee Marcus of Cleveland, Ohio, secretary for racial and cultural relations of the United Church of Christ, in an interview.

"A whole system of social security and general welfare is tied up in this institution of multiple marriage."

DENY FULL MEMBERSHIP

At present African churches deny full membership to families of men with more than one wife—a widespread situation in Africa. They can become only associate members, which means they cannot share in communion.

"They can attend and contribute but cannot come to the Lord's table," the Rev. Mr. Marcus said. "In most every church there are as many noncommunicants, who would like to be full members but can't, as there are communicants. This is no way to draw them into committed church life."

MUST MODIFY RULE

If Christianity is not to remain crippled by this condition, he said, the churches must modify the rule to admit such persons, on condition that the husband takes no more wives, and their children are taught that monogamous marriage is best.

"We could bring at least two-thirds of these people into the church on that basis," he said. "We should accept all people who want to come."

The Rev. Mr. Marcus, 43, a scholarly, bespectacled Negro clergyman, spent the last year in western African countries on special assignment by his church, a recent merger of the Congregational Christian General Council and the Evangelical and Reformed Church.

NO ORPHANS

He said eventual economic and social changes will do away with polygamy in Africa.

But at present, he said, it is a stabilizing force that assures care for widows and children, who otherwise would be left abandoned and homeless.

"There are no orphaned children in Africa," he said.

He added that whenever a child's father dies, a brother of the father or other male relative is duty-bound to take widow and children into his family.

Totem Pole Will Open On June 17

The 11th summer season at the Totem Pole Playhouse in Caledonia State Park will get under way Saturday, June 17, with the Broadway hit comedy which ran 57 weeks in New York "The Pleasure of His Company." Ten plays are planned over an 11-week period.

Other plays planned are: "Seven Year Itch," "Strawberry Blonde," "The Reluctant Debutante," "Ladies' Night in a Turkish Bath," "The Loud Red Patrick," "Pajama Tops," "Send Me No Flowers," "Gentlemen Prefer Blondes" (for two weeks), and pending release from the play-brokers "Under the Yum-Yum Tree."

Director William Puch is making preliminary plans to interview actors and staff and has announced that three full house benefit theater parties have been planned by local organizations.

GIRL HELPED ROB A BANK

PITTSBURGH (AP)—Pittsburgh police Monday examined an eight-year-old girl's strange story that she helped several older boys break into a bank on the city's North Side.

The story unfolded Sunday after a burglar-alarm went off and brought police and FBI agents rushing to the Manchester Branch of the Mellon National Bank & Trust Co.

Officers found the bank empty but the girl and her younger brother were spotted loitering outside.

Upon questioning, the girl told police that on Saturday, some old boys—about 10 or 12 years of age—talked her into sneaking into the bank. She said she did it by squeezing through a small opening between a door-grill and the basement door. Once inside, she said, she opened the door and let the boys in.

Police said the boys entered the bank Sunday in the same manner, but this time they tripped a burglar alarm.

Bank officials said that about \$3 was missing from a petty cash box but nothing else was disturbed.

Police said the girl and her 7-year-old brother have been turned over to juvenile authorities for questioning.

FRENCH SCORE RED LANGUAGE

By GEORGE MCARTHUR

PARIS AP)—France told the Soviet Union Sunday it could not accept some of the language Moscow used in its note protesting the French buzzing of Soviet President Leonid Brezhnev's plane off the Algerian coast.

The French note addressed to Soviet Foreign Minister Andrei A. Gromyko said France will let the Kremlin know the results of its investigation. But the note said "certain terms employed in the Soviet note" sent here Saturday are considered inadmissible.

French jet fighters intercepted the Soviet plane last Thursday while Brezhnev was en route to Morocco and Guinea.

The French said one fighter

SAY DENTISTS' WORK PAINFUL TO HIM, YOU

PHILADELPHIA (AP)—Like countless thousands, do you find it painful and upsetting to visit your dentist?

Well a psychologist has come up with the theory that the dentist's work is more painful to him than it is to you.

Furthermore, says Dr. Sidney Gitlin, the tensions of hurting patients while fixing their teeth lead many dentists to mental instability, frustration and heart attacks.

MANY HEART ATTACKS

Writing in the current bulletin of the Philadelphia County Dental Society, Dr. Gitlin says the rate of heart attacks among dentists is second to only physicians in the professional ranks. He recommends regular vacations and relaxation.

The psychologist says patients are at the peak of their anxiety—just before they sit in the chair—when they visit their dentists.

He adds that the fear of the chair produces several situations including cancellation of appointments at the last minute or coming in late, upsetting the dentist's schedule.

GET EVEN ATTITUDE

Other patients delay paying the bills, says Dr. Gitlin, even though they are financially able to do so. He says it's their way of saying to the dentist: "You hurt me. Now it's my turn to hurt you."

Everyday experiences such as these during a work week which averaged 35 hours often leaves dentists in a state of frustration

and tensions, claims Dr. Gitlin. "How many times," asks Dr. Gitlin, "has a dentist wished he could dig a little deeper with a probe, or drill a little longer, in order to retaliate for some hostile act that a patient directed his way?"

Dear Sir:

I wish to express my thanks to the Phi Kappa Sigma fraternity, whose members as a friendly service to the community volunteered to shovel the walks of many of the houses in their vicinity.

Their thoughtfulness was greatly appreciated during our last dreary snow storm.

Sincerely,
Mrs. Richard T. Mara

ANSBACH, Germany AP)—SS Capt. Karl Chmielewski went on trial Monday for wartime mass murder in the Mauthausen concentration camp.

The Nazi Elite Guard officer was commandant of the Gusen subcamp in 1940-42. An estimated 10,000 inmates were killed there. Chmielewski has been hiding under a false name since the war. He was arrested in 1958 at a village near Ansbach.

JFK ENDS HIS FIRST OUTING

By DOUGLAS B. CORNELL

MIDDLEBURG, Va. (AP)—President Kennedy Monday ended his first outing to his retreat in the swank, snow-mantled Virginia hunt country. Neither he nor the people who will be his occasional neighbors seem to have disturbed one another unduly.

Kennedy arranged to return to Washington the same way he reached Middleburg Saturday—by helicopter.

The only engagement on the official presidential schedule for Monday was a brief luncheon speech to the National Industrial Conference board at a Washington hotel.

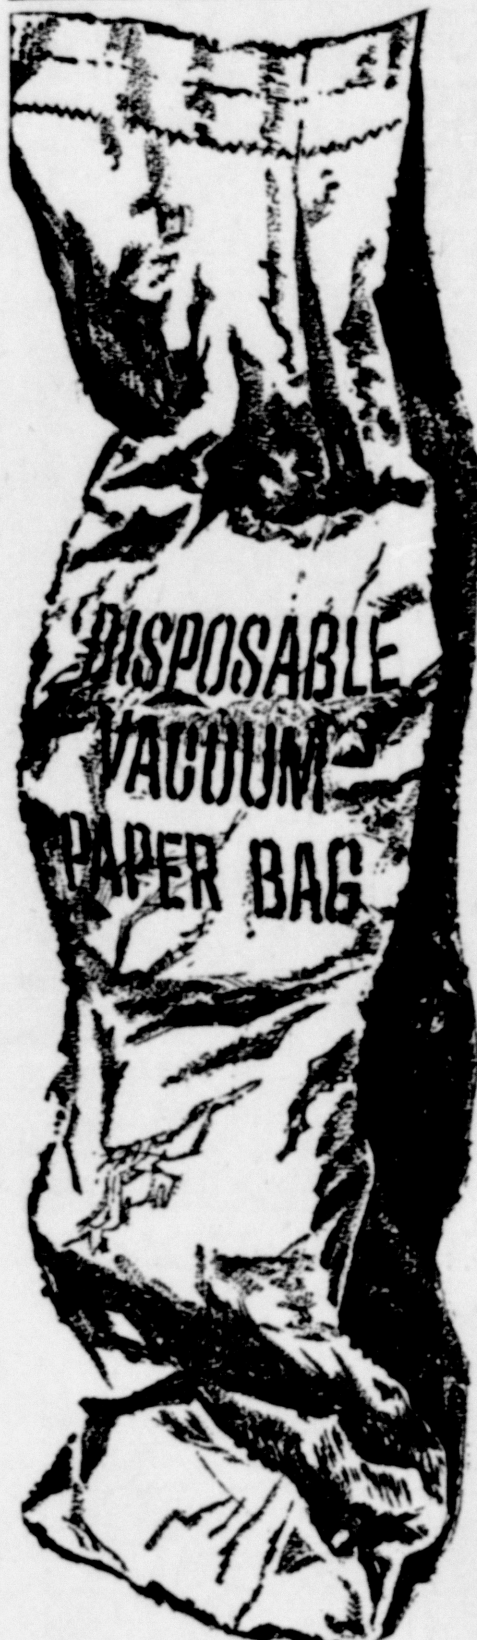

to the National Industrial Conference board at a Washington hotel. Kennedy's initial weekend away from the White House routine provided an opportunity for a minimum of the work which a chief executive never escapes completely. It offered a maximum of rest, reading before an open fire, and romping with his busy, bubbling daughter, Caroline, 3.

ATTENDED NOON MASS

After attending noon Mass Sunday, Kennedy returned to his rented country estate, Glen Ora, changed into sports clothes and tugged Caroline around the grounds on a sled. Then there was time for a leisurely lunch with Mrs. Kennedy, who cancelled plans to go to Mass because of a cold.

Mrs. Kennedy and Caroline flew to Glen Ora Friday afternoon and planned to remain until this evening or Wednesday morning.

White House press secretary Pierre Salinger said the Kennedys had no weekend guests and the President left the estate only to attend church. So the chief executive was free to wander around the place as he chose, sit down with a book in the den, or dig into official papers he brought along in a pair of briefcases.

NOW! BURN TRASH AND GARBAGE INDOORS IN A GAS WASTE DISPOSER

Do away with bad-smelling garbage cans. End backyard trash-burning. A smokeless, odorless gas waste disposer quietly burns all waste that's burnable—indoors—any kind of weather. Effortless

High among the special pleasures of Cadillac ownership is the car's remarkable handling ease. It seems almost to drive itself. In parking, traffic, or on the open road, a Cadillac maneuvers with scarcely more than your thoughts to prompt it. And contributing to this

relaxing feeling of effortless driving is the superb silence of the Cadillac engine . . . the virtual absence of travel noise . . . and those deep and buoyant Cadillac seats. Your Cadillac dealer will be more than happy to let you see for yourself how deftly a 1961 Cadillac handles.

NATIONWIDE OFFERS ONE FOR ALL

-a single, low premium policy that covers your entire family...plus a special income provision for Mom and the kids!

IMAGINE...a single life insurance policy to cover everyone in your family. Father gets the most protection...up to \$15,000 now, with liberal retirement benefits later. Mother and children are covered by term insurance, with a guaranteed right to convert to permanent plans in the future. New additions to the family are covered after 15 days...with no premium increase. What could be more sensible than one low-cost life insurance plan for the entire family?

and you can add this for income:

You can now add to the above package of family protection our popular Family Income Plan. It provides valuable income dollars for Mom and the kids during the "growing up" years. Example: On a \$10,000, 20-year plan, your family would receive benefits totalling \$35,200 should death occur in the first year. And you pay for no unnecessary coverage because protection tapers off as the kids grow up. No separate policy either. This plan becomes an integral part of your Family Policy. 1ST DRAMATIC ROLE FOR DICK CLARK IN FILM

By BERNARD GAVZER

NEW YORK (AP)—"I'm a lot of different people. It depends on the circumstances and the time. I'm a businessman, salesman, lover."

This may come as a shock to those fans of "American Bandstand" (ABC-TV, 4:30 p.m.) who always see Dick Clark as a pleasant, good-looking chap with a knack for communicating with the nation's teen-agers.

"That's only one facet of me," he explained, as he dressed in a doctor's uniform. "On TV, I'm myself everyday. I'm calm, controlled, untroubled. You never see me angry or emotional."

Clark stepped into a corridor of Manhattan General Hospital where a battery of technicians and movie grips were setting up lights and cameras for location shooting of "The Young Doctors."

In the film Clark is a young doctor, but not the young doctor, that's Ben Gazzara. The old doctor is Fredric March. Ina Balin, a dark-haired beauty, is Gazzara's girl friend.

"It's gratifying to be able to do something else," Clark said. "I can cry or scream or be angry in a film, but that wouldn't be the same me on my television show. I've played myself so long that it's an experience to play someone else."

FIRST DRAMATIC ROLE

This is the first dramatic role with any meat in it for Clark, who has appeared in two other

Phil Maloney Of Buffalo In Race

NEW YORK (AP)—Phil Maloney of Buffalo has moved up to make it a race for the American Hockey League scoring title while injuries have sidelined Springfield's Bill Sweeney.

Statistics released today show Maloney and teammate Larry Wilson each netted seven points last week. That moved Maloney within two points of Sweeney, the league leader, 75-73, while Wilson jumped from eighth place to third with 66 points.

Jimmy Anderson of Springfield is the leader in goals scored, with 34, while Brian Kilrea of Springfield leads in assists, with 50.

Springfield's Marcel Paille leads the goal tenders with 150 goals allowed in 54 games for a 2.78 average. He has six shutouts.

The new film is being heralded as a major step in the development of a new career.

There's a certain businesslike boyishness in Clark's direct way of talking. At 31, he still looks like the eternal juvenile and takes great delight in the label once slapped on him: "America's oldest living teen-ager."

He approaches film acting with well-balanced seriousness but apparently has no delusions about being a Spencer Tracy or Fredric March.

"There's the actor's actor and there's the personality actor," he said. "I'm a personality actor. I couldn't play a murderer, unless it somehow turned out the murderer was good."
